Trust is something that can be easily lost however hard to regain When you surround yourself with people that you think are there for you the harsh reality is its one man or one woman for themselves In Whom Should I Trust brings to life some of those harsh realities through friendships marriages and business MaDamn is a talented singer songwriter who just wants to get her music off the ground and be more than just a local celebrity With the help of her manager boyfriend DeAnthony she is preparing for the next stage in her life Unfortunately reality set in and the life she was preparing for becomes disrupted by lies betrayal and dysfunction DeAnthony tries to be the best he can be by being a great promoter and manager to his talented girlfriend MaDamn Yet can never shake

the feeling he wasn't good enough for her. With her turning down his marriage proposal, DeAnthony tried to stay focused on his work both for her and for him, yet temptation makes a way back into his life. He is left to choose which way is better for him. Charles, loving husband, music producer for one of the top recording studios in Atlanta, loves his new life being married to Dominiquic. While enjoying his new love, drama comes around the corner from dealing with his son's mother. Yet that doesn't stop him from trying to make everything work in his favor. With all this going on, he still had the love and support from his wife, but was that enough for him? Dominiquic was taking control of her life and breaking all the rules. No more soccer mom, no more second-guessing what she was doing and trying to please others. Dominiquic was married again and now has a house full of three kids. Her daughter and Charles's two children, whom she adored, yet still has struggles with her stepson. Trying to find the balance of work and home, Dominiquic decides she wants to spice up her life, but at what cost? Will feelings get hurt? Who wins and who loses? Vickie, now a mother and still a very successful businesswoman, decides to give men a break for awhile and falls for a woman with control issues and self-esteem problems. Being that she was too much of a free spirit for that type of relationship, she lets it go and goes to a more familiar place while learning more about herself as a mother and as a person. Each action, each decision has a consequence. Without proper judgment, you will never know the outcome of each situation. In *Whom Should I Trust*, brings back some familiar characters and once again told through their eyes, you will see the outcome of their story.

A shocking discovery shakes her to the core, but will she realise in time that she must stop protecting him?
