Happily Even After:

Happily Even After Carole Fleet, 2012-05-01 The issues that surround the loss of a spouse are numerous and complex. A very small sampling of these issues include helping children cope with a parent's death, re-entering the workplace and eventually re-entering the world of dating, love and intimacy as well as moving through a profoundly emotional period. The widowed must find a way to accept and deal with these oftentimes conflicting and confusing emotions while being expected to carry on and carry forward by those around them. The widowed must also adjust financially and legally as well as be available to children that inevitably look to their surviving parent for guidance and support. Whether newly widowed or widowed for many years, those who have suffered the loss of a spouse have many questions that need answering and they likely know no one who is adequately qualified to answer those questions. Award-winning author and grief recovery expert Carole Brody Fleet follows up the critically acclaimed *Widows Wear Stilettos* with the aptly titled *Happily Even After*, the first and only book of its kind answering the most common questions that the widowed generally have both immediately following a spouse's death as well as months and even years thereafter. These questions are excerpted from thousands of actual letters received by the author and the responses are from the author's own perspective based upon considerable personal and professional experience and insight. Since the questions featured are the more commonly asked questions by those who are themselves widowed, readers will likely find answers to most of the questions that they have concerning widowhood, dealing with everything from child rearing as a widowed parent to coping with relatives who fancy themselves financial wizards to the rules of intimacy and a wide-ranging variety of subjects in between. In her warm, witty and wise tone, Carole walks widows through the shock and overwhelming sadness and back into the land of the living. Whether you are a young woman in the early years of a marriage, a Golden Anniversary celebrant or a widow of the heart who lost a significant other with no legal claims, Fleet will hold your hand and offer you practical tools for any problem you may face. Most importantly, *Happily Even After* will help you reclaim YOU.

In *Happily Even After*, Dannah is a friend who walks beside you and helps you stop pretending everything is okay, strengthen yourself in the Lord, fight for your husband instead of with him, discover 7 essential beliefs every marriage needs to survive, broken places participate in your husband's redemption story. Dannah demonstrates how to forgive, live with joy, and hold your head high while you participate in His redemption story for your husband. Love, Sex, and Happily Ever After Craig Groeschel,2011-12-14 What do you do if you want a marriage that doesn t just survive but thrives That doesn t just begin romantically but ends magnificently Answer You do something different You ve seen marriages fail time and again Even relationships you thought were bulletproof don t last or maybe worse fade away to a cold gray lovelessness It s no wonder that for today s generation getting what you want is often a substitute for love and disillusionment about marriage is the new normal But you can have a long term love blessed marriage Whether you re still considering it are about to be wed or have been married for a while and want to make changes Love Sex Happily Ever After delivers an infusion of hope Author Craig Groeschel clearly and honestly lays out the choices and commitments you can make now to change the way you think and act to build the relationship you want for the rest of your life With an invigorating mix of personal story practical guidance and biblical truth Craig invites you into a candid conversation about first dates sex communication integrity forgiveness and commitment Along the way he shows how you can build a soul enriching God honoring relationship with the one you love and believe together again in your very own happily ever after Previously released as *Going All the Way*

The Happily Ever After Kristine Leahy,2019-11-22 Nothing is what it seems when Princess Butterfly is rescued from her prison where she had been kept in isolation for seven long years She thought her suffering would be over when she was set free She thought her rescuer the charming and handsome Prince Valiant would be honorable and wouldn t have kept any secrets from her But as she travels to Decadance to marry him Butterfly discovers he did keep one secret from her along with a seething indifference and a loathsome pride But he had slain a savage dragon to liberate her his betrothed and war between their kingdoms could not be risked by breaking their alliance Things are made more complicated when a mysterious swordsman joins them on their travels carrying a rare and dangerous blade And then a dragon attacks long after they thought the beast was dead And then another attacks And another And they quickly realize they must get to the bottom of this curse or die trying
