CA TE VOL 1 ANCIENT CIV RFLC 0 HSP,2005-06 Part of the History social science series created to follow the California standards and framework providing stories of important people places geography and events *California in a Time of Excellence* James Andrew LaSpina,2009-02-26 Follows California s efforts at reforming the public school system from 1983 to the present *Reading Across International Boundaries* Roger Openshaw,Janet Soler,2007-06-01 Reading Across International Boundaries edited by Roger Openshaw and Janet Soler clearly demonstrates these broader characteristics of debates about the teaching of reading It sets the educational issues firmly in the context of the social cultural and political dynamics that inform and animate them and give them their meaning It does so by setting out to understand their historical and comparative dimensions Establishing the historical context highlights the origins and also the longevity of the problems and conflicts that are now widely familiar The comparative approach also gives purchase on the wide range of approaches taken to these issues in nations around the world More than this however this collection takes us into the realm of international influences It underlines how debates in this area are not simply national but are international and global in their scale Moreover this is the case not only in relation to the broad fabric of policy debate but also in the everyday struggles of pupils parents and teachers in schools classrooms and homes Such an agenda is unsettling and provocative It has the potential to challenge received opinion to hustle preconceptions It may also propose alternative visions for the improvement of teaching in this area that might be taken up and taken seriously in different localities or even more broadly Most of all it enables us to enrich and broaden our understanding of the learning and the teaching of reading at a time when awareness and vision are sorely needed This collection of articles by leading scholars based in several different countries will be a significant contribution to the research field but also a major resource when put to good use by policy makers and practitioners as it should surely be Social Studies Review ,2005 **Out of the Classroom and into the World** Salvatore Vascellaro,2011-11-01 Bank Street College of Education professor Salvatore Vascellaro is a leading advocate of taking children and teachers into a wider world as the key to improving our struggling schools Combining practical and theoretical guidance Out of the Classroom and into the World visits a rich variety of classrooms transformed by innovative field trip curricula showing how students hearts and minds are opened as they discover how a suspension bridge works what connects them to the people and places of their neighborhood and as they come to understand the ecosystem of a river by following it to its source Vascellaro shows equally that what teachers can offer children is fueled by their own engagement with the world and he offers stunning examples of teachers awakened by their direct experiences with the social issues plaguing American society from the flood torn areas of New Orleans to the mining areas of West Virginia Based on the core principles of progressive pedagogy and the wisdom gained from Vascellaro s experience as a teacher school administrator and teacher educator Out of the Classroom and into the World is a direct retort to test scores and standards as adequate

measures of teaching and learning an inspiring call and major new resource for anyone interested in reinvigorating America's classrooms **Canadian Books in Print. Author and Title Index**, 1975 *The Social Studies Professional*, 2005

Standard Catalog: Social Sciences Section H.W. Wilson Company, 1927 *Market Education* Andrew J. Coulson, In *Market Education The Unknown History* Andrew J Coulson explores the educational problems facing parents and shows how these problems can best be addressed He begins with a discussion of what people want from their school systems tracing their views of the kinds of knowledge skills and values education should impart and their concerns about discipline drugs and violence in schools Using this survey of goals and attitudes as a guide Coulson sets out to compare the school systems of civilizations both ancient and modern seeking to determine which systems achieved the aims of parents and the public at large and which did not Drawing on the historical evidence of how these various systems operated Coulson concludes that free educational markets have consistently done a better job of serving the public's needs than state run school systems have

Erasing History Jason Stanley, 2024-10-10 From Yale professor and bestselling author of *How Fascism Works* a searing confrontation with the authoritarian right's attacks to undo a century of work to advance social justice action on race gender sexuality and class Combining historical research with an in depth analysis of our modern political landscape *Erasing History* issues a dire warning for the world the worst fascist movements of humanity's past began in schools the same place so many of today's right wing political parties have trained their most vicious attacks Donald Trump Ron DeSantis Vladimir Putin Turkey's Recep Erdogan and Argentina's Javier Milei have all reached the same conclusion if you want to roll back the clock on civil rights equity and inclusion a great place to start is in schools Yale professor Jason Stanley exposes the true danger of the right's tactics and traces their inspirations and funding back to some of the most dangerous ideas of human history He shows that hearts and minds are won in our schools and universities and that governments are currently ill prepared to do the work of uprooting fascist policies being foisted upon our children through school boards in courtrooms and in the boardrooms of the organisations trusted to train teachers and create the materials they'll share with their students Deeply informed and urgently needed this book is a vibrant call to action for lovers of democracy worldwide
