## **Ideology, and the Polarization of America in the Age of the Obama Presidency** Blanchard Onanga Ndjila, 2024-07-05

The author contends that the 2008 election of President Barack Obama and his subsequent 2012 re election were viewed as transformative events that should lead America into a post modern post racial and post ideological America That idealized vision of America turned out to be the incorrect With the shift in demography coupled with white American conservatives and Republicans fear of losing America to minorities especially to Blacks Obama s presidency failed to transform America into a post racial nation The author argues that America became more rather than less racially and ideologically polarized exacerbated by identity politics between Liberals and Conservatives as well as between Democrats and Republicans The incompatible and ultimately unreconcilable perception of America made no room for effective collaboration between Obama and Republicans and has led to subsequent problems and tensions
