OECD Reviews of Integrity in Education: Ukraine 2017 OECD, 2017-03-27 Education in Ukraine is marked by integrity violations from early childhood education and care through postgraduate study. In the past decade, policy makers and civic organisations have made progress in addressing these challenges. However, much remains to be done. Discrimination Law Issues for the Safety Professional Thomas D. Schneid, 2016-04-19 Safety professionals communicate directly and indirectly with a large number of employees and others on a daily basis. While not lawyers, they regularly deal with legal issues. Written for safety professionals, this book provides general knowledge of the various laws and regulations that offer protection to employees and individuals against discrimination in the workplace. It takes a proactive approach to identifying situations where potential discrimination against an employee or individual may occur and provides guidance on how to take immediate action to address the potential discriminatory situation.
