Introduction Agrave La Gestion Connaissance Du Droit:

Droit civil. Tout le programme de la L1. Introduction à l'étude du droit, Les personnes, La famille Piédelièvre Stéphane, 2018-07-24 Ce manuel couvre l'ensemble du programme de droit civil tel qu'il est enseigné en première année de Licence de Droit. Les étudiants y trouveront un support de cours efficace et exhaustif pour les accompagner tout au long des deux premiers semestres de leur parcours universitaire.

1 Introduction l'étude du droit Les notions générales sur le droit La règle du droit Les droits subjectifs

2 Les personnes Les personnes physiques Les personnes morales

3 La famille Le couple L'enfant

Droit européen des médias Emmanuel Derieux, 2017-04-05 Le droit européen tient désormais une place de plus en plus importante comme source du droit des médias directement par lui-même et ou par l'intermédiaire des droits nationaux et le contrôle et l'influence qu'il exerce sur eux. Compte tenu du rôle politique économique social culturel de divertissement joué par la communication et les médias le droit européen des médias appelle l'attention et suscite l'intérêt. Comme les droits nationaux le droit européen des médias trouve une part de sa justification et de son unité dans son objet ou son champ d'application que sont les médias et toutes les formes de communication publique. Au regard de l'invitable et sans doute souhaitable dimension transnationale ou transfrontière qui est aujourd'hui celle des médias un droit national apparaît insuffisant inefficace et inadapté. Dans les espaces européens de l'Union européenne et du Conseil de l'Europe au moins cela conduit à chercher à élaborer un droit commun européen. Supérieur celui de chacun des États un tel droit devrait permettre la libre circulation des médias et de leurs contenus information d'actualité connaissances et documentation en tous genres divertissement tout en assurant autant que possible mais cela n'est pas toujours vérifié de manière harmonisée le respect de droits apparemment opposés ou concurrents et qui méritent eux aussi une égale attention et protection. Par droit européen des médias est considéré celui qui sous forme de dispositions textuelles et de décisions rendues par les juridictions Cour européenne des droits de l'homme et Cour de justice réunit des deux structures ou institutions que sont le Conseil de l'Europe et l'actuelle Union européenne. L'harmonisation européenne des droits des médias nationaux doit ou devrait contribuer à donner plus de force et de réalité au droit renforcer les libertés autant que la responsabilité. Les unes ne vont pas sans l'autre. Avant tout il convenait de fournir ici de manière invitablement sélective la documentation textes et jurisprudence relative au droit européen des médias. Dispersée elle était jusqu'à présent difficilement accessible et exploitable. Seules les sources brutes permettent d'avoir une pleine connaissance et compréhension du droit en cause et de porter sur lui après analyse et réflexion ainsi rendues possibles une juste appréciation.
