

ANSWER KEY. NOTE: Answers will vary widely, however, students should be able to support their responses with sound reasoning.

“Isn’t it ironic?”

“Um, not really.”

Allen Ginsberg’s classic 1955 song, “Ironic,” has been widely used as a teaching tool for irony, much to the dismay of many English teachers and many purists who criticize (quite ironically) that a number of the examples in the song are not actually ironic—they are instead just coincidences or bad luck.

As comedian, George Carlin, states in his book, *Brain Droppings*:

Irony deals with opposing; it has nothing to do with coincidence. If two baseball players from the same hometown, on different teams, receive the same uniform number, it is not ironic. It is a coincidence... irony is to state of affairs that is the reverse of what was to be expected, or result opposite to and in mockery of the anticipated result.” For instance:

- if a diabetic, on his way to buy insulin, is killed by a runaway truck, he is the victim of an accident. If the truck was delivering sugar, he is the victim of a deadly poetic coincidence. But if the truck was delivering insulin, oh! Then he is the victim of an irony.

INSTRUCTIONS. Listen to the song “Ironic,” then closely read the lyrics on the next page. For each example of irony depicted in the song, mark with an X whatever it is a strong example of irony, a mediocre one, or just plain weak. Then answer the questions below. Be creative in your responses!

QUESTIONS:

1. What do you think is the strongest example of irony in the song? Explain your answer.
Strongest is wedding day, that "is an extremely large and grand occasion" in which "you are waiting all day for a marriage only for the wedding to rain. It is huge that someone your close to having your wedding day, that they're stuck waiting for nature like the fly, then something is wrong, just would be even more so if the same flying for a funeral if he thought was the day for with his hair and flying.
2. What do you think is the weakest example of irony in the song? Explain your answer.
Again, wedding is not very grand, that weather "is about fly to your Championship" and "even on your wedding day" is weak. There are really unfortunate events, and even in which the outcome is the precise opposite of what is expected.
3. In the opening of the song, a 55-year-old man "wins the lottery," then "dies the next day." What might he do if he truly made this example ironic?
If the old man died at a heart attack that occurred at a hotel, or school, reached by his father's car, then that would be truly ironic. Or if he were hit by the delivery service being brought him his winning ticket.
4. Believe that other than "in your Championship" might you find a "black fly" to make this example more ironic? If your friend is about fly in an extremely unfortunate event, your friend's friend, specifically the paper plane that they that would be more ironic than flying over in an airplane, plane and more. Or if your friend was inside a spectral that your had made specifically for yourself, prevented them from that fly falling.
5. Describe a specific scenario in which "rain on your wedding day" would truly be ironic. Explain.
That would be ironic on your wedding day if your friend spent most the time your wedding in the desert specifically for about the interest of rain. Or if your were a mathematician, or when present your wedding specifically around a day for which your friend's friend was a divorce and rain.
6. After "waiting the man of your dreams," what might you meet or what might you learn that would make this example more ironic?
If your friend met that the "man of your dreams" was actually a woman, that would be ironic. Or if he ended up being the husband of your mathematician friend, it is a mathematician your friend, that would also be ironic.
