Technical Manual United States. War Department,1948 **Edward MacDowell's European Piano Music** Paul Bertagnolli,2024-09-10 Edward MacDowell s European Piano Music is a critical study of the piano music that MacDowell composed during his European sojourn 1876 1888 steeped in reception history and with a special emphasis of programmaticism The book expands current knowledge of MacDowell s childhood in four of the chapters based on his previously uninvestigated sheet music collection thereby achieving a better balance among the stages of MacDowell s life than is evident in most books of the life and works variety Prolific contemporaneous music criticism meticulously preserved in MacDowell s scrapbooks is likewise undervalued in the MacDowell literature but it furnishes penetrating observations about the expressive and programmatic content of numerous compositions especially as it was revealed to critics when MacDowell performed his own works Lastly the book offers explanations for why MacDowell immersed himself in European culture for decades and then at a crucial juncture in his career embraced diverse American heritages and worked toward a conception of a pluralistic music that was American in a creative sense The book s content and methodology would appeal most directly to specialists within the broad fields of musicology and music theory particularly within American art music and its composers nineteenth century music program music reception history and piano literature **Billboard** ,1942-09-19 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Catalogue of the Library of the Patent Office Great Britain.
