Beyond My Moment of Truth David T. Gilbert, 2012-02 After completing my first book

I sat down and took notes of what was learned from what I did and I must admit that I had learned an enormous amount of information about publishing. There were things to consider like preparation of work, presentation of poetry, promotional strategies etc. and still having Parkinson's Disease didn't do me any favours. But as I have always stated, you can't keep a champion down, and with my God being so gracious in more ways than I am able to acknowledge, I press on with my quest to try and give as many people as I am able a solid even chance of salvation. My style of poetry may be somewhat unusual, maybe a bit out of the ordinary, but I have always tried to make my work as appealing as I can to as many as there are who love the simplicity of my work. I have tried to reduce the introductions of each poem to a minimum, but I still value the introductions as they help to bring clarity to the point that I am attempting to put across and therefore very few misunderstandings and upsets are made. It must be emphasized that my poetry expresses my point of view on subjects written about, how I actually see things from my angle, you may see differently or may even disagree, but no matter what I have designed my work specifically with the task of getting people to open up about the topics I write about, because there is nothing like a good open debate to allow people the opportunity to communicate with each other and so open up a door for an opportunity to present all with a chance of salvation. As I wrote in my last book, my primary objective is the saving of souls, and by presenting my work in such a simple way, I may assist people to realize that Jesus died for all, and so salvation is also for all who dare to believe.

Moment of Truth Adam Croft, 2022-11-22. A man is found dead in the judge's chair inside the Great Hall of Oakham Castle, beaten to death with a ceremonial horseshoe. As Rutland Police investigate, they discover the victim was a charitable, public spirited man who only ever wanted to help others. So who wanted to kill him so brutally? And why? DI Caroline Hills and DS Dexter Antoine are left disoriented and dejected. But the discovery of a shadowy and mysterious figure leads them onto a trail of deep corruption, one that will take them far from Rutland. And it seems their victim wasn't quite the man he made himself out to be. Is anyone ever truly innocent? *A Shard of History - Moment of Truth* J. Y. Lilly, 2013-05.

Cursed by a Demigod, the Mortals of Duronyk are now Faeries. Eirian, the only Faery child not forced into the void, is their only salvation. Twenty seasons after the curse, this reluctant heroine must make her way through daunting odds and harsh lessons to break the spell. Warlord Broan has neither the time nor inclination to listen to Eirian, who he views as an irritant and burden. But together they must overcome dark magic and fierce battles, as well as obstacles they unwittingly create for themselves. Only if their two races, Faery and Mortal, join together will they have any hope to win the battle long foretold.
