Mortal Brother An Unbounded Novella:

Mortal Brother Teyla Branton, 2015-01-30 Love and Duty Both Can Get You Killed Pilot Chris Radkey's only job in the Mexican jungle is to look after the plane while his Unbounded siblings retrieve a desperately needed cure. It was supposed to be easy. Much easier than seeing his wife murdered by an Emporium hit team leaving behind two motherless children. Chris soon finds himself using every ounce of his Renegade training in a desperate struggle to secure dangerous Emporium captives and to save the life of a friend. His easy job has become a nightmare one he may not survive. But the woman he cares about needs him and he won't allow anything to stand in his way. Show more Show less Please note Mortal Brother is a novella not a full length novel. It is separate from the main series and can be enjoyed at any time. However the events take place in the Unbounded timeline simultaneously with The Cure Unbounded Book 2 and extend several days past that novel so readers may better appreciate Mortal Brother after reading The Cure. Praise for the UNBOUNDED series: Excellent and well written. I recommend reading the entire series. Thoroughly enjoyable. High action and adventure. Teyla Branton belongs right alongside Patricia Briggs, Kim Harrison, Jennifer Estep, and Kelly Armstrong. Set Ablaze Teyla Branton, 2016-09-24 This time the job is personal. In and out. Do the job. Renegade Blaze Vincent has survived years with this motto: Barely Plucked from death's door and revived repeatedly with cure. Blaze and his partner Kenna Murray are determined to unravel their enemies' intentions before the entire town is lost. But things tend to explode when Blaze is around. Literally. And to save his people he must be willing to take yet one more step over the edge. *Ava's Revenge* Teyla Branton, 2014-12-18 To seek revenge you must first manage to survive. First Touch Teyla Branton, 2018-01-01 Autumn Rain didn't always possess the ability to read emotions imprinted on objects If you've enjoyed the Imprints series or are just beginning the adventure you don't want to miss this new prequel about her first case as a consultant to the Portland Police Bureau See how Autumn came into her ability and how Detective Shannon Martin reacts when he realizes this crazy so-called psychic might just be telling the truth Can they put aside their differences and find a missing girl before it's too late How many rules will they have to break Insight Teyla Branton, 2019-01-12 Welcome to the CORE Commonwealth Objective for Reform and Efficiency Detective Reese Parker is a survivor Having left behind a violent past in Welfare Colony 6 she is now a sketch artist and detective with the New York Enforcer Division Her entire focus is maintaining peace and order among the CORE's remaining two million residents to make certain their society never faces another economic and nuclear Breakdown She must also keep her secret Because she never wants to be sent back to Colony 6 With constant Teev surveillance and rigid control in the CORE's most heavily populated state Reese's job mostly consists of tracing small time juke pushers or sending rebellious students to reconditioning She doesn't have to face demented fringers that encroach upon the Core like her counterparts in Dallastar do or patrol the northern borders where radiation crazed animals attack unwary travelers She's content with being the most accurate sketch artist in the CORE But when one of her sketches puts her up against a human monster bigger than anything else that threatens the CORE it's a fight she might not survive Note from the author This novella is part of my Colony Six futuristic dystopian sci-fi series After finishing the first two books I decided I wanted to write about the catalyst that took Reese one of my important characters back to Dallastar near where she grew up and where the series really begins This is the case that almost got her killed and eventually led to events that in subsequent books reunites her with her childhood

crew from Welfare Colony 6 otherwise known as the Coop after the cramped conditions and chickens they raised there for extra food You can read this story either before or after the first two books it doesn't have spoilers If you are new to my series keep in mind that this short piece won't contain the intricacies of the much longer novels but I hope it'll give you a taste of my post apocalyptic world I've included terms at the end of the novel to help catch you up so maybe take a peek at those Enjoy [Your Eyes Don't Lie](#) Rachel Branton, 2014-05-27 Sometimes Survival Isn't Enough Years of living on the street and fending for herself have made Makay Greyson tough and resourceful if a bit disillusioned She's come a long way from sleeping in parks and scavenging for food Her entire focus is on providing a better life for her young brother one without fear of loss and neglect That certainly doesn't leave time for Harrison Matthews who from their first meeting sends fire through her veins and upsets all her carefully laid plans Makay has done things she isn't proud of to survive and those choices now threaten the small amount of security she's created and any chance of a future with Harrison They've been raised in two very different worlds and the secrets they both hide can only lead to disaster There is only one chance to make it right and one misstep could be fatal Your Eyes Don't Lie is a story about facing fears sacrificing for those you love and about a girl who thinks she isn't worth loving and a guy who knows she is Note All the stories in the Lily's House series are complete stories without cliffhangers Reading all of them will catch you up with characters in previous novels but you do not have to read them in order Enjoy **Then I Found You** Rachel Branton, 2017-10-12 One glimpse into the eyes of a stranger changes everything On the first day of her new life Tawnia McKnight finds herself in Oregon her fifth state in ten years Another new job new friends a heartache left far behind Maybe in Portland she can at last find what she is looking for Maybe she can even forget Bret Winn But when a tragic bridge collapse rocks the city Tawnia is thrust back into the life of the man she thought she'd never see again And with him is a stranger a stranger with inexplicably familiar eyes Soon Tawnia finds herself drawn into a web of confusion and deceit Where did the eccentric Autumn Rain come from and why does she look so much like Tawnia Though Autumn's agony over her missing father seems real there is much in her past that cannot be explained Even more troubling for Tawnia is Bret's interest in Autumn despite Tawnia's own attraction to the mysterious firefighter who once saved Autumn's life Danger looms as Tawnia tries to unravel clues to both the past and the current tragedy in Portland Will she find what she is looking for or will everything she cares about slip once again from her grasp

How Far Rachel Branton, 2019-03-10 How far would you go to save someone you love As a public defender Caitlin McLoughlin has seen her share of bad guys and she's tired of watching them walk away Until one day she refuses to let it happen again But if anyone finds out what she has done her whole future will be at risk When she meets Parker Hathaway charged with kidnapping four year old Madeline he's just another criminal another job But Parker tells a far different story Can Caitlin believe him Or is her trust better placed in the handsome deputy district attorney with his undefeated record in court
