What Was Literary Impressionism? Michael Fried, 2018-04-09 If literary impressionism is anything it is the project to turn prose into vision But vision of what Michael Fried argues that the impressionists compelled readers not only to see what was described and narrated but also to see writing itself the upward facing page pen and ink the written script the act of inscription

Classicisms in the Black Atlantic Ian Moyer, Adam Lecznar, Heidi Morse, 2020-01-09 The historical and cultural space of the Black Atlantic a diasporic world of forced and voluntary migrations has long provided fertile ground for the construction and reconstruction of new forms of classicism From the aftermath of slavery up to the present day black authors intellectuals and artists in the Atlantic world have shaped and reshaped the cultural legacies of classical antiquity in a rich variety of ways in order to represent their identities and experiences and reflect on modern conceptions of race nation and identity The studies presented in this volume range across the Anglophone Francophone and Hispanophone worlds including literary studies of authors such as Derek Walcott Marlene NourbaSe Philip and Junot D az biographical and historical studies and explorations of race and classicism in the visual arts They offer reflections on the place of classicism in contemporary conflicts and debates over race and racism and on the intersections between classicism race gender and social status demonstrating how the legacies of ancient Greece and Rome have been used to buttress racial hierarchies but also to challenge racism and Eurocentric reconstructions of antiquity

Allyn & Bacon Anthology of Traditional Literature Judith V. Lechner, 2004 Instead of having your students buy

includes a new foreword by Chloe Margherita **Vermeer's Family Secrets** Benjamin Binstock, 2013-03-07 Johannes Vermeer one of the greatest Dutch painters and for some the single greatest painter of all produced a remarkably small corpus of work In *Vermeer's Family Secrets* Benjamin Binstock revolutionizes how we think about Vermeer's work and life Vermeer The Sphinx of Delft is famously a mystery in art despite the common claim that little is known of his biography there is actually an abundance of fascinating information about Vermeer's life that Binstock brings to bear on Vermeer's art for the first time he also offers new interpretations of several key documents pertaining to Vermeer that have been misunderstood Lavishly illustrated with more than 180 black and white images and more than sixty color plates the book also includes a remarkable color two page spread that presents the entirety of Vermeer's oeuvre arranged in chronological order in 1/20 scale demonstrating his gradual formal and conceptual development No book on Vermeer has ever done this kind of visual comparison of his complete output Like Poe's purloined letter Vermeer's secrets are sometimes out in the open where everyone can see them Benjamin Binstock shows us where to look Piecing together evidence the tools of art history and his own intuitive skills he gives us for the first time a history of Vermeer's work in light of Vermeer's life On almost every page of *Vermeer's Family Secrets* there is a perception or an adjustment that rethinks what we know about Vermeer his oeuvre Dutch painting and Western Art Perhaps the most arresting revelation of *Vermeer's Family Secrets* is the final one in response to inconsistencies in technique materials and artistic level Binstock posits that several of the paintings accepted as canonical works by Vermeer are in fact not by Vermeer at all but by his eldest daughter Maria How he argues this is one of the book's many pleasures [Luke's Literary Achievement](#) Christopher Mark Tuckett, 1995-01-01 The essays in this collection come from a research symposium involving the universities of Manchester and Lausanne The essays cover a wide range of mutually enriching approaches to the study of the Lukan writings Aspects considered include Luke's use of the term Son of Man his use of scripture his literary achievements and the issue of godfearers in Acts [Poetry in Exile](#) Josef Hrdlička, 2020-09-01 In his book Josef Hrdlička opens the question of what exactly constitutes Exile Poetry and indeed whether it amounts to a category as fundamental as Romantic or Bucolic lyricism He covers the intricately complex and diverse topic of exile by exploring selected literary texts from antiquity to the present giving due attention to writers that have influenced the exile discourse from Ovid Goethe and Baudelaire to the thinkers and poets of the 20th century like Adorno or Saint John Perse Against this backdrop of exile poetics he turns his attention to Czech poets who left their homeland after the Communist Coup of 1948 and were notable contributors to Czech literature abroad Hrdlička considers the works of Ivan Blatný Milada Součková Ivan Diviš and Petr Král to show the continuity and changes in the western poetic tradition and expressions of exile **Concise Dictionary of American Literary Biography** Matthew J. Bruccoli, 1987 Contains biographical information about American authors between 1640-1988 with bibliographies of primary and secondary materials relating to each author and critical remarks about the works of each writer *The Tribe of John* Susan M.

Schultz,1995-05-30 Fourteen essayists break new ground by focusing on a new generation of postmodern poets who are clearly indebted to John Ashbery's work This concentration on Ashbery's influence on contemporary American poetry provides new methods for interpreting and understanding his poetic achievement **More than Night** James Naremore,2008-01-14 Film noir evokes memories of stylish cynical black and white movies from the 1940s and 50s melodramas about private eyes femmes fatales criminal gangs and lovers on the run James Naremore's prize winning book discusses these pictures but also shows that the central term is more complex and paradoxical than we realize It treats noir as a term in criticism as an expression of artistic modernism as a symptom of Hollywood censorship and politics as a market strategy as an evolving style and as an idea that circulates through all the media This new and expanded edition of *More Than Night* contains an additional chapter on film noir in the twenty first century The Bookman ,1901 Father Miller's Daughter Donald Edward Casebolt,2022-09-16 The crisis in Adventist eschatology is due to its reliance on Millerism's faulty methodology and falsified prophetic predictions Ellen White taught that Father Miller's sole authority was Scripture and a concordance that his interpretations were literal commonsense and most importantly that God had originated his date setting conclusions by repeated angelic guidance She announced that Miller was typological of John the Baptist that Miller was a forerunner to Christ's Second Advent as the Baptist was to his First This book will document that these three misconceptions are falsified by primary sources from roughly 1835 to 1851 Miller was highly dependent on disconfirmed centuries old historicist speculations his interpretations were allegorical and arbitrary not literal his falsified proofs obviously not of angelic origin For example Miller initially predicted the Parousia and fall of the Ottoman Empire for 1839 White also endorsed Snow Joseph Turner and Crozier whom she said God had given true light Post Disappointment these men continued using Miller's allegorical typological historicist methods and Ellen Harmon was taught by these men About two centuries after *The Midnight Cry* and the end times signs of 1755 1780 and 1833 the SDA church's tenacious reliance on Millerite proofs makes its eschatology increasingly implausible **The Bible's First History** Robert B. Coote,David Robert Ord,2018-01-04 This is a book about an ancient writer the J writer the Yahwist who produced a work of political imagination This work is embedded mainly in the first four books of the Bible best known for some of the most popular and influential biblical stories in Genesis and Exodus The purpose of the book is to represent the whole of the original story with attention to its own meaning without the influence of the other literary strands with which it was later supplemented Therefore the work includes a fresh complete translation of the text of the J writer who produced the Bible's first history The translation itself helps to establish more clearly than ever the integrity of the J writer The concern here is WHEN and WHY this history was written especially in light of the concerns for justice and prosperity Throughout it is demonstrated HOW and WHY this history comes from the court of David it is a royal history of David's subjects as though they were descended from pastoral nomads such as Abram Isaac and Jacob It is argued that the intended audience of the history was probably those bedouin

who regularly visited the court of David in Hebron and Jerusalem Here is a bold and brilliant representation of the J writer s composition perhaps as it was originally intended to be read or heard This ancient tour de force takes on new life in the hands of these skilled interpreters *Knit 4 Seasons* Sue Curl,Erika Knight,1986 **Doug Pratt's DVD** Douglas Pratt,2004-10 The ultimate guide to DVD by the world s leadding authority on the medium
