States Increasingly more often in recent years their crimes are not limited to rumbles or drug use these gangs challenge the  
dominance of organized crime leading to violent conflicts between the rivals Germany Scandinavia the UK the Netherlands  
and Canada are particularly hard hit by this rising violence One of Barker s unique contributions is his Criminal Organization

this volume deal with these questions some way or the other either explicitly or implicitly each providing its own answers  
based on the data and methods at hand This volume presents cutting edge research on outlaw bikers and outlaw biker clubs  
from countries all over the globe and reflects the different ways that academic researchers have approached the outlaw biker
