## **Motorcycle Club Prospect Application:**

**Biker Gangs and Organized Crime** Thomas Barker, 2010-04-06 This book examines the reported criminal behavior of the entire spectrum of 1% biker clubs and members. It identifies the clubs whose members have been involved in criminal behavior and classifies their behaviors as individual, group, or club sponsored/condoned behavior. While other books examine the criminal exploits of one or more of what are called the Big Five biker clubs because of their size and sophistication or the sensational crimes of lesser known 1% biker clubs or club members, this book pays attention to the criminal activities of individuals, groups, and chapters of other clubs as well. The book is based on journalistic accounts and autobiographies of former and present members of biker clubs, academic scholarly works, law enforcement government reports, articles from newspapers and biker web sites, and a content analysis of federal and state court cases regarding bikers and motorcycle clubs. Text enhanced with numerous photos and figures. [The Ultimate Biker Anthology: An Introduction To Books About Motorcycle Clubs & Outlaw Bikers](#) Edward Winterhalder, Iain Parke, 2013-11-15 Outlaw bikers and 1%er motorcycle clubs have always carefully guarded their privacy; however, in recent years, more and more books have come to be written by and about outlaw bikers, the lifestyle, and the realities of life inside the patched motorcycle club world. This anthology brings together some of the best authors in the world who have recently written about motorcycle clubs, outlaw bikers, and the biker culture. It features excerpts from internationally well-known authors such as Peter Edwards, Tony Thompson, Edward Winterhalder, and Iain Parke, but also contains literary work from those who are relatively unknown and those who have only achieved recognition on a local scale. Covering both factual accounts of life inside clubs such as the Hells Angels, Satan's Choice, Bandidos, Rock Machine, and the Outlaws, as well as leading examples of biker-based fiction that explore the images of bikers and crucial themes such as loyalty, respect, and honor, this compilation is intended to introduce the reader to the secretive world of motorcycle clubs and outlaw bikers. *Biker Gangs and Transnational Organized Crime* Thomas Barker, 2014-10-17 *Biker Gangs and Transnational Organized Crime* Second Edition describes and analyzes a rapidly expanding global problem: criminal acts committed by motorcycle gangs. Thomas Barker, one of the world's top experts on outlaw biker gangs, offers fascinating details about the Bandidos, the Vagos, the Mongols, and other one percenters' criminal biker gangs, as opposed to the vast majority of motorcycle enthusiasts. He combines this data with a strengthened conceptual framework that makes sense of this complicated picture. U.S.-based motorcycle gangs like the Hells Angels have proliferated, especially in Canada and Europe, to the point where these gangs have more members in other countries than in the United States. Increasingly, more often in recent years, their crimes are not limited to rumble or drug use; these gangs challenge the dominance of organized crime, leading to violent conflicts between the rivals. Germany, Scandinavia, the UK, the Netherlands, and Canada are particularly hard hit by this rising violence. One of Barker's unique contributions is his Criminal Organization Continuum, building on the groundbreaking network approach to organized crime proposed by Klaus von Lampe. Introduced

in the first edition Barker elaborates his continuum tool and makes it more multi dimensional to help refine the definition of adult criminal gangs The product of years of research this book lays the groundwork for further study by offering students police and researchers the most thorough account available of outlaw motorcycle gangs Righteous Sisterhood Sarah L. Hoiland,2025-01-24 In this book the author rides along with an all women motorcycle club and observes their lifestyles and rituals of membership She theorizes the sense of belonging they derive alongside their reactionary politics their desire for relevance and their alienation from male focused right wing spaces The One Percenters Dave Nichols,2012-04-23 In The One Percenters best selling Motorbooks author and editor of Easyriders magazine Dave Nichols takes up where he left off in One Percenters The Legend of The Outlaw Bikers Nichols takes readers inside the world of outlaw motorcycle clubs and pulls back the secretive curtain on the biker lifestyle He explores the concept of brotherhood ultimately arriving at a new definition of family and community in the process Being a member of a one percenter motorcycle club requires extreme discipline in this book Nichols shows us what that life offers in return Nichols delves into the one percenter code of conduct and honor and finds something that is sorely lacking in modern society In this book he shows us how we can apply those values in our own lives The world of the outlaw biker has its own rough hewn rules of order and The One Percenters Code acts as a guidebook to that truth honor and brotherhood based world One Percenters Dave Nichols,2010-05-08 One Percenters The Legend of the Outlaw Biker illuminates the origins of the rebel mentality in America from the annals of human history all the way to today s motorcycle clubs **Issues in Global Crime** United States.
