Elijah the Prophet William Mackergo Taylor,1875 **Splish-Splash Bible Bash** Cook Communications

Ministries,2004-08 Splish Splash Bible Bash is a children's ministry program for mixed ages that sends kids off to surf watery Bible stories and learn some important truths Each lesson opens with a gathering time for prayer and music followed by a lively humorous puppet presentation Then kids splash into the Bible with interactive stories that put them right on the scene A choice of application activities makes sure that kids see how Bible truths relate to their lives Preschoolers can join in the fun with elementary age kids or they can enjoy activities specially planned for the little ones **Biblical Critical Theory**

Christopher Watkin,2022-11-08 With a foreword from Tim Keller A bold vision for Christians who want to engage the world in a way that is biblically faithful and culturally sensitive In Biblical Critical Theory Christopher Watkin shows how the Bible and its unfolding story help us make sense of modern life and culture Critical theories exist to critique what we think we know about reality and the social political and cultural structures in which we live In doing so they make visible the values and beliefs of a culture in order to scrutinize and change them Biblical Critical Theory exposes and evaluates the often hidden assumptions and concepts that shape late modern society examining them through the lens of the biblical story running from Genesis to Revelation and asking urgent questions like How does the Bible's storyline help us understand our society our culture and ourselves How do specific doctrines help us engage thoughtfully in the philosophical political and social questions of our day How can we analyze and critique culture and its alternative critical theories through Scripture Informed by the biblical theological structure of Saint Augustine's magisterial work The City of God and with extensive diagrams and practical tools Biblical Critical Theory shows how the patterns of the Bible's storyline can provide incisive fresh and nuanced ways of intervening in today's debates on everything from science the arts and politics to dignity multiculturalism and equality You'll learn the moves to make and the tools to use in analyzing and engaging with all sorts of cultural artifacts and events in a way that is both biblically faithful and culturally relevant It is not enough for Christians to explain the Bible to the culture or cultures in which we live We must also explain the culture in which we live within the framework and categories of the Bible revealing how the whole of the Bible sheds light on the whole of life If Christians want to speak with a fresh engaging and dynamic voice in the marketplace of ideas today we need to mine the unique treasures of the distinctive biblical storyline **The Child's Bible Narrative: Being a Consecutive Arrangement of the Narrative and Other Portions of ...
