practices However what cannot be denied is the timeless passion and ageless desire in every man to communicate with a higher power and to initiate changes in every area of life This desire in man can be expressed in and through prayer but what is prayer Is prayer just talking to God as popularly defined If prayer is simply talking to God what would we call casting out devils and binding Satan Despite the fact that many people seem to pray why are so few getting the results Are there principles or rules that guide prayer Are there factors that hinder effectivity in it This book does not only seek to answer these questions above but to introduce new concepts in prayer that will create new prayer experiences It also seeks to explore the concept of prayer with the intention to break previous erroneously established boundaries that hinder its effectiveness and to equip the end time believer with the necessary understanding and light required for an effective prayer life and to ultimately equip the church in enforcing its rights and privileges in the place of prayer My heart desire for you as you read this book is that a fresh understanding and passion for prayer will be birthed in your spirit and that you will take your place in prayer for the body of Christ thus fulfilling the ministry of our Lord Jesus Christ on the earth Amen **Elijah's**

primary cycle in stages back from the present day to Bond Event 1 the advent of Islam in the 6th century AD when there was massive terrestrial and social upheaval worldwide Bond Event 2 the 9th century BC where we discover the same pattern In the Bible this is represented by the Elijah cycle of stories which focus upon a hitherto unidentified massive volcanic eruption in Arabia but with clear evidence from regions as far afield as China that the trauma was worldwide Bond Event 3 Noah s Flood his true identity and the real location of the Ark still a major religious site comprising the largest cemetery in the world with millions of bodies buried there The identities of the Chinese Emperors Yao Shun and Yu and a second impact site Piora Oscillation Death of Adam The Nephilim The Chinese Flame Emperors The Mahabharata and Krishna Bond Event 4 5 9 Kiloyear Event The true nature of Creation the identity of Adam the Ramayana and the Burckle Crater Adam to Apophis is an original and compelling work It will be of indispensable interest not only to scientists and academics in a variety of disciplines but also to the layman of whatever or no religious persuasion *Watson's Weekly Art Journal* ,1869
