**Way** Russ Tow, 2013 I'm Becky I'm about to start 7th grade and guess what I'm not even nervous I can hardly believe it If you'd have asked me three months ago in May how I was I would have said awful My best friend Sarah is cuter than me plus I have freckles that I hate my grades are terrible Daddy lost his job and Mom and Dad are always arguing and blaming each other for everything Could anything be worse You bet I'll lay it out for you Daddy moved out He was drinking every day and gambling on sports Mom told me he bets money he can't afford to lose I was sure it was all my fault I was getting terrible stomach aches and headaches I figured if I could just get better grades Mom and Dad would be happier and maybe everything would get better To top it all off my parents came up with the brilliant idea of sending me to Australia for the summer to stay with relatives I hardly even knew No way It's 1972 what parents would send their child half way around the world to the middle of nowhere Well I was in for some big surprises By the end of the summer I'd found out my relatives had

some of the same problems as my own family and I learned there are healthy useful ways I can deal with it all I learn it isn't my fault And I come to have hope one day at a time And that boring island country they shipped me to I had a blast We spent weeks snorkeling off a deserted island and played tag with fish of every color in the rainbow I found deadly cone shells camped with tons of other travelers waiting for flooded bridges to reopen saw huge sea turtles lay eggs caught the biggest grouper fish with only a hand line netted yabbys survived a scary speedboat ride in the middle of an ocean storm and that's just the beginning Join my adventure You too might find joy and magic mixed with hope and the understanding that one day at a time each of us can find peace P S I've ended up loving my freckles     Just A Little Bit D.S. Pais,2020-02-01 Just a little bit is a collection of short stories illustrating the contribution of destiny towards life under unfavourable conditions It speaks volumes about keeping up the hope under adverse situations falling in love facing tricky circumstances and yet winning expecting the unexpected not having hopes and getting rewarded losing it all and gaining back unusual relationships and friendships that defy time feelings unexpressed braving it all and finding happiness pain and forgiveness and unexpressed love and so much more Even in adverse conditions where there isn't any hope left you can change destiny by simply trusting and directing your emotions towards what you firmly believe in It also gives you an answer towards emotional attachment to a person and if we lose them are there any possibilities of spending time with them after life It deals with daily normal situations in life that destiny chooses to give a twist     The Western Christian Advocate ,1906     Aurora's Song Cherime MacFarlane,2016-01-28 Algen is finally home after spending most of her teen years and young adulthood in Washington State She has never been clear on the reason she got sent to live with her father's relatives But she has a job she loves and can finally live in the place she loves The Aurora Borealis fascinates her Algen has missed the lights and winter terribly The Grannies want her to be careful Should she be wary of the new hire at the native corporation She's sure if he gets too close her heart will be in grave danger The cultural anthropologist is pursuing her with the single mindedness of a big predator Gunrik is too smart too much of a hunk far too tempting and can't stay in her little backwater in rural Alaska     *Find Her* Sarah A.
