Duncan Brown

Finding My Way:

Finding My Way Ray Pons, 2008-06-30 The true life story of how one man moved from the trials of employment to the triumphs of self employment After a boyhood in northern England Ray Pons winged his way to the Great White North aka Canada to pursue his dreams Or were they fantasies He did well more than well as a sales manager insurance salesman and reinsurance executive but somehow happiness never stepped out to greet him He was easily bored quickly losing motivation momentum and eventually the jobs themselves Then after a few fits and starts and with the moral support of his wife Marva he said goodbye once and for all to a regular paycheck and hello to life as a business owner Here he tells his story with great honesty and practical wisdom offering tips for how you can find your way in life and work Finding My Way Duncan Brown, 2023-12-01 This book reflects on South African literature from the perspective of 2020 It emerges from Duncan Brown's experiences of three decades of working in this field of writing and scholarship It is a personal intellectual exploration and an engagement with the institutional history of literary studies in South Africa and elsewhere Finding My Way also attempts to find more creative engaging and intriguing modes of writing about literature and the humanities universally It seeks to recover a sense of the imaginative the literary and the affective not only as things to value in the literary texts we read but also as ways of understanding and reading texts as ways of writing criticism of registering how books make us feel as well as how they make us think Print edition not for sale in Sub Saharan Africa **Finding My Way Home** Reddy Suzwe, 2010-03 I had asked the ultimate question what is Life before and so now my prayers were being answered I was about to find out for myself Never imagined this is how God was going to capture my heart but he did and so the journey begun This provided insight on how God healed my broken heart as he mended and repaired my being At first it felt like I went in for an open heart surgery and I was not on any medication so every single thing that was touched on I really felt it As painful as some of the things done to me in the past felt I came to understand that was the reason why my Lord was there so I chose to allow Him into my life for healing to begin It was in Him to give and so a new heart was provided for me to be able to live pain free As I accepted the gift I was given I felt the heart beat like never before A tear drop rolled down my cheek and I knew I was transformed I came to find out it was new life in me I was coming out a new person a new being who was no longer conformed to the world but renewed enlightened enriched I woke up and realized I was no longer sleeping beauty as I got the awakening To me that was healing from the house of heaven I was now free from heartache no longer day dreaming but living the dream The documentary touches on life experiences and showcases a woman's journey as she worked to free herself from oppression rebuilding her life to make it out of the wilderness alive It turned out to be a journey of a lifetime Finding My Way Brandon Rowell, 2024-10-16 Finding My Way is a powerful coming of age novel about Matt a young man entering college who embarks on a profound journey of self discovery At the beginning of the story Matt appears to have his life together he's starting his freshman year has a girlfriend and is excited about his future However things take a dramatic

turn when Matt begins to develop romantic feelings for his college roommate Jake. These feelings stir an internal conflict forcing Matt to confront the reality that he is gay, something he has long suppressed. Matt struggles with his identity torn between the life he thought he wanted and the one he's discovering for himself. After an intimate confession to Jake, the two begin a secret relationship. Matt is still dating Sarah, his high school girlfriend, but soon realizes he can no longer live a double life. The heart-wrenching breakup with Sarah leaves him shattered, yet it's a necessary step in accepting who he truly is. Things take an even more devastating turn when Matt comes out to his parents. His mother reacts with shock but tries to be supportive, while his father outright rejects him, telling Matt to leave and never return. Heartbroken, Matt spirals into a deep depression, turning to drugs to numb the pain. His struggle culminates in a suicide attempt, but thanks to Jake's intervention, Matt is hospitalized and begins his journey of recovery. Upon being released, Matt leans on Jake and his friends, who become his chosen family, offering him the love and support he craves but never received from his father. Over time, Matt learns that family isn't always about blood; it's about the people who love you unconditionally. Jake, along with a close circle of friends, provides Matt with the strength he needs to rebuild his life. As Matt recovers, he grows into a more self-assured and confident person. He reconnects with his mother, though his relationship with his father remains strained. With Jake's unwavering support, Matt finishes college, and the two decide to move in together. Eventually, Jake proposes, and they plan a small, intimate wedding surrounded by their friends and chosen family. The novel concludes with Matt finally coming to terms with his past and accepting that, despite his father's rejection, he is worthy of love. With his husband Jake and a supportive community by his side, Matt finds peace in the life he's built. He understands that love, in all its forms, is what defines family, and that the relationships he has formed are more than enough to fill his heart. **Finding My Way** is a heartfelt exploration of identity, love, and resilience. It dives deep into the challenges of coming out, the pain of rejection, and the healing power of chosen family. At its core, the novel tells a story of growth, self-acceptance, and the realization that true family is defined not by blood but by unconditional love.

Finding My Way Home John Houston, 2021-04-20 After many years of searching, John Houston found his way home, his true home. Now he wants to help you do the same. John Houston has spent the past sixteen years building for others what he didn't always have for himself: growing up a family home. Today, John is one of the premier custom home builders in Texas. Throughout the Dallas-Fort Worth area, you see signs proudly presenting John Houston Custom Homes that paint a picture of the kind of home life John would have done anything to have as a child. From a young age, home was not a place where John wanted to be. After his parents divorced and his mother moved out, his father remarried and moved in with his new family. John and his older brother struggled to adjust and began living by themselves with little to no adult supervision at the ages of 11 and 15. They helped support themselves financially by working long hours running a lawn care business before and after school. The years that followed were challenging but also marked by God's protection, even when John didn't realize it, as he overcame hardships that could have permanently derailed his life. He met and married the woman

of his dreams completed his education and became a respected and successful business owner And he isn't confused for one second about who's ultimately responsible for his success God In Finding My Way Home John Houston reflects on a life of trials hardships and painful mistakes through the lens of gratitude for God's enduring faithfulness He explains God created a story with my life that puts a spotlight on His mercy and grace a story of my anger and His forgiveness of the broken family I grew up in and His restoration of my demanding leadership as a husband and father and His model for me to lead with love
