Firestarter The Holy Spirit Empowers:

Firestarter Philip J. Noordmans, 2016-10 FireStarter is about the empowering work of the Holy Spirit Endorsements Usually books on the Holy Spirit have good theology and biblical teaching but render the Third Person of the Trinity impersonal dull and dry They do not draw us into the author's lived experience Or they are full of exciting experiences with the Holy Spirit but they do not help us build a good biblical and theological foundation for understanding and cooperating with the Holy Spirit This book is a masterpiece of doing both As you read you will grow in personal experience as well as biblical understanding Dr Brad Long Executive Director of PRMI FireStarter is an honest truth filled account of one academic reserved Bible believing pastor's journey to the heart of God Phil reflects honestly and truthfully on his own experiences or lack of them with the Third Person of the Trinity and helps others to enter into that journey with him FireStarter is an important work bringing the willing reader into a transforming life of empowered ministry led by the Holy Spirit Read and study this book with Holy expectation and surrender and watch what God will do in you and through you Mary Sterenberg Tim Vink wrote I was able to read the wonderful pages of your book tonight Very exciting and encouraging needed so much today by so many As you point out the secret of Jesus phenomenal ministry on earth was that He had help the very same help that is available to each of us today namely the Holy Spirit Our ability to live and love like Jesus increases exponentially when the fullness of the Holy Spirit is embraced by every believer This is the GIFT that changed everything for the early church and is changing everything in the great global expansion of Christianity in our day I enjoyed this book's straightforward and faith building message If you want to read a book on this subject that is not dry yet not simply anecdotal and is humanly self revealing while being dependably informative you will enjoy this one I am Stuart Dauermann *The New Testament: Junior High Group Study* Kara Powell, 2010-10-29 Take your teens into a solid understanding about the New Testament and important truths it teaches Twelve sessions in two 6 session units The Kingdom is Near The Kingdom is Growing each Bible lesson features a New Testament person who helps them learn how they can be full members in God's Kingdom too Highlights from the Gospels and Acts Focuses on faith surrender and the power of the Holy Spirit Downloadable easy print pages for younger teens for each session Help kids find their identity purpose and power in Christ *God's Fire Starters* Donald A. Broadwater, 2008-10 When it comes to having a desire to see things change it is obvious that most Christians are ready for it The problem is that churches have tried every program available and yet they still feel that there is something missing from their ministry This book takes a fresh look at ministry and challenges us to consider that we may have actually left God out of the ministry equation by not realizing how desperately we need for God's Spirit to set us on fire Take a journey through the Bible and discover for yourself how God's fire is present when God is on the move Discover how God's fire reveals his character as well as our calling to be transformed into the image of Christ You will also discover how being one of God's Fire Starters can be one of the most exciting adventures of anyone's life Donald A Broadwater was born in

Roanoke Virginia and spent most of his early life growing up around the Blue Ridge Mountains He graduated from Covenant College and Westminster Theological Seminary and for the past three decades Don and his family have been on an adventure that has taken them from America to Australia He is married to Gloria and has two grown children from their 37 year marriage God has unfolded a unique ministry of discipleship that has sought to encourage people to take their next step on a Journey in Jesus This ministry is needed because our journeys are as unique as God who is fashioning them for us He has also spoken for church camps and seminars which have included the international conference Fire on the Mountain on Mt Tambourine in Queensland Australia Contact him at www.journeyinjesus.com for additional information or for scheduling seminars for your ministry
