About the Novel: *Freak the Mighty* is a story about two unsuspecting friends coming together and showing the world how special they are. Maxwell is big and scary. He is also kind and thoughtful. Kevin is small and weak. He is also smart and creative. These two boys are seen as dangerous and pitiful by those around them. It's not until they come together to become *Freak the Mighty* that people start seeing them for who they really are. Max lives with his grandparents after his mother died, and his father was sent to jail. Kevin just moved in next door with his mother. As outsiders, Max and Kevin build a friendship. They both bring to the friendship something that is missing: Max brings strength and Kevin brings smarts.
