Retail Buying 3rd Edition Richard Clodfelter, 2008-07-16 With an emphasis on developing a strategy for buying this comprehensive book gives students the skills they'll need to become successful buyers in all retail areas. Its simple and straightforward approach presents students with step-by-step instructions for typical buying tasks such as identifying and understanding potential customers, creating a six-month merchandising plan, and developing sales forecasts. Ample activities give students the opportunity to apply these skills as they would in a professional environment. This new edition offers expanded coverage of the use of technology for retail buying and working with foreign markets. The companion text *Making Buying Decisions Using The Computer as a Tool* furthers the connection between retail buying strategies and merchandise math. New to this Edition: Updated and expanded chapter features: Internet Connections, Snapshots, and Trendwatches. New, more contemporary illustrations. Expanded and updated coverage of direct marketing and the growing use of database-driven marketing and technology. New chapter on purchasing from foreign sources. Revised discussion of the types of buying offices. Updated facts for identifying changes in consumer markets. Consolidated coverage of domestic markets and negotiating with vendors. More emphasis on using the Internet as a promotional tool. Increased coordination with companion text *Making Buying Decisions*. Instructor's Guide provides suggestions for planning the course and using the text. **Retail Buying + Studio Access Card** Richard Clodfelter, 2015 This comprehensive book provides students with the skills and savvy needed to become successful buyers in any area of retail. With a simple and straightforward approach, Clodfelter presents step-by-step instructions for typical buying tasks such as identifying and understanding potential customers, creating a six-month merchandising plan, and developing sales forecasts. With coverage of math concepts integrated throughout the text, this new edition contains up-to-date coverage of important retailing trends, including more coverage of international buying and sourcing, integration of product development concepts throughout, and more math practice problems in chapters. Updated Snapshot and Trendwatch features present current info and new case studies from the fashion industry. Ample activities drawn from real-world merchandising and incorporating current trends give students the opportunity to apply critical skills as they would in a professional environment. New to This Edition: STUDIO Retail Buying Studio features online self-quizzes, flashcards, math practice problems, and Excel spreadsheet activities that align with chapter Spreadsheet Skills activities. Additional math practice problems in end-of-chapter activities. More than 20% new photographs throughout the book. 30% new Snapshot and Trendwatch features and updated content in all cases.
