God On Mute Pete Greig, 2020-08 *God on Mute* Pete Greig, Brian D. McLaren, 2014 Writing out of the pain of his wife's fight for her life but also the wonder of watching the prayer movement they founded touch many lives Pete Greig wrestles with the dark side of prayer and emerges with a hard won message of hope comfort and profound biblical insight for all who suffer in silence Page 4 of cover **God on Mute** Pete Greig, 2020-09-22 An honest soul searching pursuit of biblical answers to one of Christianity's most challenging questions What do you do when God meets your prayers with silence Many of us have struggled with prayers that seem to go unanswered and Pete Greig has been down that difficult road of doubt This book is both intensely personal and deeply theological a book born out of his wife Sammy's fight for her life after a horrifying diagnosis The acclaimed author of *Red Moon Rising* wrestles with the hard side of prayer how to respond when there seem to be no answers and how to cope with those who seek to interpret our experience for us For those struggling with prayer *God on Mute* brings a message of hope and comfort but also a better understanding of how we communicate with our Creator Using the timeline of Holy Week from Maundy Thursday through Easter Sunday as a template Greig explores four main questions about prayer from all angles How am I going to get through this Why aren't my prayers being answered Where is God when he seems silent When every prayer is answered what does that mean Silence in response to our most heart felt

prayers is the hardest thing for a person of faith to wrestle with The world collapses Then all goes quiet Words can't explain what we're going through People avoid you and don't know what to say So you turn to Him and you pray You need Him more than ever before But somehow even God Himself seems on mute And this sinks into us with a sense of futility But even in this crushing silence there is a way forward Here is a story of faith hope and love beyond all understanding Includes guide for group discussion

How to Hear God Pete Greig, 2022-03-01 You were created to enjoy a real conversational relationship with God The Bible says that hearing the voice of our Creator is both central and natural to our existence as humans When life falls apart we need God's comfort In moments of cultural turmoil we need his clarity Facing difficult decisions we need his guidance Desiring a deeper faith we need God to say something anything to turn the monologue we call prayer into a genuine conversation But how do we really hear God Nothing could possibly matter more than learning to discern his authentic voice and yet few things in life are more susceptible to delusion deception and downright abuse Having addressed God's silence in God on Mute and then How to Pray in his previous bestseller Pete Greig is back to bring wisdom and guidance to one of the most pressing and perplexing aspects of universal Christian experience How to Hear God Exploring the story of Christ's playful poignant conversation on the road to Emmaus after his resurrection Pete draws deeply from the insights of a wide range of Christian traditions weaving together the evangelical emphasis on hearing God in the Bible and the charismatic commitment to hearing God in the prophetic with the contemplative understanding of God's still small voice within Pete transcends the Christian tribalism of our day rooting us in

God on Paper Bryan C. Loritts,2005-01-11 The Bible is the most quoted book in the western world and likely the most misunderstood It is often thought to be little more than religious mythology or a collection of moral and ethical guidelines or a series of quaint but irrelevant legends But what if the Bible were read on its own terms as a highly personal and unbelievably passionate love story What if the Bible is really a wild tale of relentless pursuit the diary of a God who can't bear to be separated from the people he loves In God on Paper you'll share in a conversation that takes a new look at Scripture a dialogue that entertains doubts and questions about the value and the validity of the Bible And you'll encounter an amazing love story of divine proportions Go ahead and join the conversation You might be surprised by what you find Putting God on the Guest List Jeffrey K.
