Can't See the Forest for the Trees Eldon Adams, 2022-11-15 Sometimes the deepest knowledge of God comes from those who had to trust in Him the most What does this book s title Can t See the Forest for the Trees imply A simple answer is The Forest is symbolic of God s Plan revealed in Bible scripture with all of its mystery to be understood and fulfilled with steadfast belief faith and trust in the power of the Holy Trinity God the Father Jesus Christ the Son and the Holy Spirit one for all all for one God s Plan is a work in progress nearing fulfillment The Trees are symbolic of obstacles like gullibility false teaching false prophesy false doctrine apostasy hate lying deceit evil love of money blind

speculation and the like all of which are growing rampant in the United States The message reveals Spiritual Blindness as a curse that God has imposed upon His Church for their lack of true faith in Him not unlike the Israelites as they turn away from the New Covenant Law blindly accepting unsuspected guidance from Satan to employ worldly ways and promote apostasy By misguided faith some may be unprotected by the Armor of God and their failing to cultivate the Fruit of the Spirit makes matters worse The author is hopeful that his book will bring awareness of spiritual blindness to summon a repentant reaction for restoration of religious understanding and direction in line with God s real purpose     How to Kill Adventist Education Shane Anderson,2009 Between 1980 and 2005 Seventh day Adventist Church membership in the North American Division increased by 75 percent In that same 25 year period K 12 enrollment in Adventist schools dropped by nearly 25 percent What happened And why How to Kill Adventist Education takes a hard look at the troubles plaguing Adventist schools Not only are those problems identified along with their root causes but a simple yet effective strategy for change is proposed And by using this proven strategy failing schools have successfully transformed into thriving centers of Christ oriented education So yes there is hope for Adventist education Now lets get down to business     The Family Treasury of Sunday Reading Andrew Cameron,2021-11-05 Reprint of the original first published in 1867
