God Wrote A Book James Macdonald:

God Wrote a Book James MacDonald, 2002 God wrote a book There is something very powerful in that simple statement The book of course is the Bible and because God is its author it s the most important work ever written Millions across the world agree with that yet many believe it only conceptually doubting that the words of the Bible are in fact the very words of God Pastor James MacDonald addresses today s disturbing trend away from taking God s Word seriously He clarifies the misconceptions that surround the infallibility reliability and historicity of the Bible and explains why he believes it is the inspired Word of God how it originated what the Bible is good for and its benefits to us Written to believers and non believers who have questions this book on the Good Book has the answers *Act Like Men* James MacDonald, 2014-10-01 Man up it s the best thing you can do for others and yourself Men are so busy doing so many different things when not working their free time is often full of the trivial or sinful But what society and church so desperately need are men who embrace all that God created them to be who long to follow God without limits and meet the needs of those around them without hesitation To get there we need what Pastor James MacDonald calls radical surgery a deep probing exploration and reparation of all that it means to be a man In his definitive bold voice MacDonald calls men to be watchful firm in their faith strong and loving This isn t a call for bravado and bluster It s a call for men to mix tender and tough to be humble to follow Jesus It is a call to be leaders men of God husbands who are present and caring and strong It is straight talk no posturing or posing or beating around the bush inviting men to redemption and restoration in their manhood Read *Act Like Men* and take bold steps toward being all that God designed you to be *Lord, Change My Attitude* James MacDonald, 2015-06-18 Change your attitude change your life We re very good at explaining why we re unhappy bad job bad relationships bad luck But there s probably a better reason bad attitudes In *Lord Change My Attitude* James MacDonald shows us just how much our attitudes affect our lives One of his bestsellers this book is classic James It s clear it s inspiring and it packs a punch Drawing from the experience of the Israelites who grumbled through the wilderness MacDonald shows how bad attitudes rob us of joy Coveting complaining and being critical are not what our hearts were made for They were made for thankfulness contentment and love Is your heart straining under the weight of a bad attitude Don t read this book if you re looking for a quick fix Don t read this book if you re unwilling to change Read it if you re ready for a serious inside out attitude adjustment **Rare Treasure of Destiny** Stan Conely, Tommie Howard, 2013-02-26 No one can argue that our world is not in crisis Most anyone could easily provide a laundry list of defective traits and characteristics within any community to prove this point But identifying problems is a far cry from solving them and the sheer volume of opinions and ideas concerning how to fix or even improve our global woes have left far too many people confused and disheartened in their search for answers *Rare Treasure of Destiny* is the much anticipated first installment of the inspirational series *Medication for the Nations* where the brilliantly convincing case is made that Jesus Himself offers some of the most dynamic and practical anecdotes for society s problems in

a very unique biblical passage found in the book of Revelation By carefully exploring this text of seven diverse church communities Christian theologians Stan Conely and Tommie Howard creatively show how Christ's assessment of these congregations can be used to assist us with correcting age old ills of the human condition with spiritual measures Providing a refreshing injection of confidence for all who seek to exist beyond spiritual mediocrity this series will inspire and cultivate a strong intimate service centered relationship with the Creator

Gripped by the

Greatness of God James MacDonald,2008-09-01 When was the last time you were really and truly gripped by God's greatness Most Christians recall heartfelt resolutions around a fire at bible camp as children and perhaps a revival meeting or two But what causes the fervor of those experiences to translate into a consistent life pattern Pastor and author James MacDonald believes that the better we understand God the better we understand ourselves and the less likely we are to favor our own will over God's He writes God is not safe and He will not be squeezed into some neat respectable Sunday discussion No To Know God at all is to watch Him explode any box we put Him in with His terror majesty and indescribable wonder Expounding upon Isaiah's encounters with God MacDonald prods snoozing saints to rediscover the wonder of God's

attributes He also shares candidly from his experiences in life and ministry where God proved Himself to be the Great I AM This book will spur new and seasoned believers alike to detest mediocrity in their spiritual walks Ideal for individual or small group study

Most people either give their past pains and experiences too little or too much importance and power Pastor and biblical counselor Stephen Viars explores the role of the past as God intended and offers readers biblical examples and practical encouraging steps toward a transformed today and a hope filled future

Divide And Conquer - The Mystery Revealed B. L. Knepper,2014-08-21

Divide And Conquer is a study in rightly dividing the word of truth II Timothy 2:15 The study demonstrates the diametric opposition between the Law program that the Nation of Israel entered into with God and God's response to her generations of rebellion to the benefit of all mankind who choose surrendering faith over their own works of righteousness for salvation There is only futility and confusion that believers suffer from when they try to apply the program and promises from a different people to their lives

What an unfortunate blow to one's faith it is to feel as though God is not answering their prayers to feel like they cannot understand the Bible and to feel like something is wrong with them. But most damaging is that the love they may have had for the Holy Scriptures at one time diminishes as they struggle from a weak understanding. God Himself fully intends that the excellency of His power work in our inner man through the right understanding of His Word. *Poetic Confessions of a Winner!: Becoming a Winner before Winning* Mark Russell, 2018-10-25. Being a winner has nothing to do with personal achievements, accomplishments, titles, or some superior status of living. You can have all these things and still be a failure at life, unhappy and unfulfilled. This book inspires the discovery of the created winners we already are. The revelation of biblical scriptures, the enlightening thoughts, and inspiring poetry all promote volumes of encouragement to uplift your thinking. We must realize and awaken ourselves to the truth that true happiness. *The Most Offensive Book Ever Written* Tim Dustin, 2022-07-29. In today's culture, there are many hell-bent on cancelling anything they find offensive, and it's only a matter of time before the mob comes after the most offensive book ever written, the Bible. Many churches use twenty-minute McSermons to inspire and pack the house, but so many are failing at teaching what the Bible actually says about some of today's most controversial topics: homosexuality, abortion, politics, and others. Countless Christians say they believe in Jesus but don't truly know what that means or what they're believing in. *The Most Offensive Book Ever Written* takes a look at today's most divisive topics and breaks them down to view them through a Biblical lens. It's time all believers learn there is an earthly cost to heavenly gain. *Finding Hope in Times of Grief* Preston Parrish, Glenda Parrish, 2011-03-01. Preston and Glenda Parrish experienced the sudden death of their 25-year-old son, Nathan, in the same week that Preston's father died. In *Finding Hope in Times of Grief*, the Parrishes candidly share their story and the struggles they faced, as well as how they found hope in Christ and in the pages of the Bible. Writing not from theory but from experience, the Parrishes come alongside others who grieve, pointing them to God's all-sufficient grace—grace that is great enough to infuse even their worst moments with His comfort. This book will help those who grieve to know God's presence and peace in the midst of their suffering, realize that hope still exists, and can be known; understand that their suffering can assume a place of purpose in their life and in the lives of others. *Finding Hope in Times of Grief* points readers to the surpassing hope we have in Christ and the comfort that comes ultimately from God Himself. This book will also help family members and friends better understand how to support those who grieve. *Lord, Change My Attitude* James MacDonald, 2008-09-01. A bestseller since 2001, *Lord, Change My Attitude Before It's Too Late* is classic James MacDonald, bold, practical, and communicated in a way designed to set readers free from the negativity that erodes happiness. This new revision now includes study application questions in each chapter to help readers identify the attitudes of the heart that need change in order for God's abundance to flow. While patterns of thinking won't always change overnight, Pastor MacDonald shows readers how to begin to recognize wrong attitudes and work on replacing them with the right ones. *Ryken's Bible Handbook* Leland Ryken, Philip

Ryken, James Wilhoit, 2005 Three authors help shed light on understanding the Bible not just as the inspired work of God but also looking at the different genres that make up the Bible's books: poetry, historical narrative, wisdom literature, story, parables, and more. **When My Ox Gores My Neighbor** Josiah Nichols, 2017-04-11 *Question Everything! - Your Soul Depends On It*

B. L. Knepper, 2014-05-31 *Question Everything* was written for everyone who has ever heard something in their religious teaching that did not seem quite right, ever had some questions about the Biblical basis for their church's traditions, and are wondering if there might be straightforward answers to what may have been bothering them for many years. It is a great step of courage and risk to challenge the traditions, foundations, and strongholds of one's faith, particularly when that faith has been handed down from generation to generation, but it is risk with the significant reward of peace and confidence that can only be obtained through God's Word. The reader should be brave when comparing what they always thought with what the Bible has to say. As every individual faces eternity, they will not be accompanied by their ancestors, their Ministers or Priests, nor their best friends or loved ones; their eternal destiny will be based on how they responded to God's Holy Word. The Chosen Dwight K. Nelson, 2011 When you think of being chosen, does your mind go back to recess days on that schoolyard playground long ago when Teacher asked the two biggest boys in the class to choose up teams? Remember how the rest of you lined up dutifully waiting for your name to be called? And remember how you stood there nervously holding your breath, shifting your weight from one sneaker to the other, hoping against hope that this time you'd be chosen? Good news: You have been chosen. Maybe not for the starting lineup on your school's basketball team or for the next promotion at work. But your calling is much more extraordinary. For you are a chosen people, a people belonging to God that you may declare the praises of him who called you out of darkness into his wonderful light. 1 Peter 2:9 NIV. Who is this God who has chosen you? Why have you been chosen? And how are the chosen to live? Join Dwight K. Nelson in an experience with God that will revolutionize your life as you stand where the chosen of old once stood on the brink of the Promised Land.
