

A level Geography - Paper 2 - 2024 revision question and the answers

globalization as a result of systems - **Correct Answer** ways of workings, procedures and methods of organisation that allow a particular function to be carried out e.g manufacturing systems in ways of making products in response to the demand for them

globalisation as a result of technology - **Correct Answer** used for information, communication and transport globally

relationships are based on - **Correct Answer** trade and common rules - allowing everyone to gain

financial systems - **Correct Answer** governs flows of capital

based on investment banks - help raise capital by selling shares on behalf of those companies

what happened in the 1980's to make the financial system more global? - **Correct Answer** information technology - internet allowed investors to get more information about whether the companies doing well or not and make an informed decision

financial deregulation - relaxed rules about what banks were allowed to do

removing barriers - from capital coming in and out of a country

exchanging currencies - wider range of trade

globalisation as a result of trade agreements - **Correct Answer** governs the flows of products

tariffs - tax on products coming into the country

non - tariff barriers - rules about the quality of a product

banning - e.g of drugs

these controls = increased price for buying and selling

to make poorer countries enter into trade agreements
