## **Going Through The Valley The Path To Destiny:**

*Going Through the Valley* Dave osbourne,2014-11-21 Going through the Valley is a very inspiring book that speaks about our Christian walk as Children of God We can define the Valley as any place period or situation that is filled with fear gloom foreboding but at the end of our valley experiences we come out filled with love God s joy and fulfillment Valley experiences are meant to make us better and stronger in our walk with God Valleys are also places of fruitfulness It s a place where we meet with our father and maker face to face a place where we grow and become transformed to His will The valley experience is the path that leads us to our God given destiny As you read this very interesting book you will not only be challenged but will have a new perspective about the Valley why we go through valleys and the benefits of going through the valley As you prayerfully read this book the Lord is going to give you insight and revelation **The Spirit-Filled Journey** Apostolic Church of God,2012-12-14 **The Journey To An Undefeated Mind** Yolanda Lear,2020-11-29 The Journey To An Undefeated Mind is a book inspired by myself the author s personal battle against mental health It is about all the lessons and blessings I learnt along my journey I wanted to share this with other s so that they can get through their own journey My book The Journey To An Undefeated Mind is all about the reader it is a direct conversation or speech from the author to the reader Guiding them through this journey advising them encouraging them speaking life into them when they feel low Something I didn t have around me as often as I would have liked it when I was going through my journey my battles against mental health I believe my book could be a big help to many people facing mental health whether you are facing it alone or not It s like having a pocket size friend travel along with you Ok maybe slightly bigger than pocket size But you get what I mean How often have you had to face something and you wished you had that extra bit of help guiding you through Enough support to help you on the right path But not too much so you can learn to do it yourself This is what my book is there for That extra bit of support That motivator friend that shows you your worth Shows you that you can and always could do it You just had to start believing in yourself This is what The Journey To An Undefeated Mind is there for To get you to start believing in yourself again To get you to understand that in life you are bound to fall bound to fail a couple times But you will only be defeated if you choose to stay down if you choose to stay defeated Having an Undefeated Mind means yes in life we may fail we may take some L s but we won t be defeated in life *Struth The Bloody Truth* Iarn Pernell,2018-05-17 This book describes how we ve all been living according to a reality that exists only in our own mind s creation of what we believe to be reality It explains how the church has manipulated the purely natural human emotion of fear to instill a belief in their god Just as each different religion has their god as the only true god so too does every individual e Astrologye is a word used to describe the energies that permeate life on Earth and as once believed by now ancient civilizations that were overtaken and nearly destroyed by religion is the energy responsible for everything that manifests in life and in fact life itself For too long now man has lived under the fear of damnation in hell as a result of living against the word of the church s god which is

only a creation of the church in order to preside over the minds of the masses for their own benefit Great monuments and rituals have been created by the church to give their god relevance and impress mankind to believe in a myth that exists solely for the purpose of gaining power over our mind and actions The French and Spanish Inquisitions are but one example of the total control the church almost achieved But truth cannot be changed for to do so is to manipulate the truth for your own selfish purposes Religion is in a constant state of change because religion is only a manipulation of philosophy Astrology has never changed over the hundreds of thousands of years that man has been observing the movements of the stars We are all only energy just as is the light given from the stars and energy responds to energy Thus we are all subject to a greater energy than our ego permits us to believe      **An Epic Journey through the Holy Bible with Jesus** Karen Marie

Parker,2020-09-22 Have you ever opened the Bible to look for answers Maybe life is just too difficult and you lost all hope The Word of God has your answers but is it too hard to understand God s plan for salvation is meant for those who seek him but some of us don t know where to begin An Epic Journey through the Holy Bible with Jesus volume one will take you through sacred scripture one day at a time You will get to know Jesus through his word why he came what his father expects from us and how we can be the best person we can be in a fallen world When you walk with Jesus you hear and read quotes like Give your life to Me I will take care of you and all your problems don t doubt anymore trust only in Me you will never be alone walk by faith and not by sight Sometimes it may be difficult because you can feel Jesus s presence but not touch him you can hear him but he makes no sound you can t see him yet you know he s there It is the spirit of God This book will fill your heart and soul with love for Jesus and an understanding of what he is talking about to you for you and with you Like going on a personal quest with Christ Become more enlightened in your faith when the light of Jesus illuminates off the pages of sacred scripture      Masked R.A. Vukovich,2011-05-25 Masked helps reveal what lies behind the mask our true motives

identity and destiny The heart and cry of every believer is to fulfill his or her destiny in God Yet the path to success is paved with twists and turns obstacles and detours Author R A Vukovich helps to understand the detours Masked expresses the hope and insight many in the church are seeking It will encourage and inspire those who are called to remove the mask discard the grave clothes and embrace the truth      *The Parish Magazine for Berkeley, Dursley, Stinchcombe, and Uley* ,1870

**Created for Purpose** Guillermo Maldonado,2019-09-24 You are no accident Your presence on this earth is not a mistake Neither is it insignificant On the contrary you are wanted here and needed You are a creation of God with a unique purpose Many people do things to try to gain acceptance by others so that they can be someone They become slaves to public opinion and never really know who they were meant to be When we know that we are God s beloved children chosen from the foundation of the world and discover who He designed us to be we will think and act from that perspective Everything else will develop from our identity and existence in Him That identity goes beyond even our personal purpose to God s eternal plans for the world and our exciting role in them God created all human beings to have dominion over the earth And He has

assigned each of us a portion of territory where we can exercise the measure of our dominion on earth This dominion is based on the faith anointing and gifts He has given us Our words and actions are most effective when we are in the territory God has assigned to us and are seeking first His kingdom This territorial power is not merely symbolic It is a reality in which we must live The territory in which we are to be fruitful is not random or general but specific In Created for Purpose you will discover God s plan for your life as a loved and valuable member of His creation what it means to be called by God and how to know and live in your purpose throughout your life You are not an accident You are present on this earth for a significant reason Find out who you were meant to be      *Sermons Preached at King's Lynn* Edmund L.
