Leave A Legacy In Words Raymond Tapp,2017-09-07 This book of poems was written with inspiration and from the heart It came to pass as if God was speaking to me giving me the words to put on paper the poems are spiritually discerned and written out of love At times I knew it was God speaking to me as you will find as you read these poems as well as in the books to follow This book of poems was meant to inspire those that read them whether they make you sad happy or encourage you It was God who seen me through a five year serve out incarcerations That is five years straight from 1997 to the end of 2001 I have been out for 15 years and have not looked back You have to be down and out it is then that you will call out to God God help me So I am truly grateful that he did just that I spent my time reading and writing a lot also taking care of my physical body by working out and doing a lot of walking As I walked I had a little pocket version of the New Testament and I would read scriptures until I memorized them One of the first scriptures I memorized was Proverbs 3 5 6 The scripture says Trust in the Lord with all thine heart lean not unto thine own understanding in all thy ways acknowledge him and he will direct thy paths King James Version May you be inspired and blessed as you read these poems God has blessed me and he wants me to share that it was Him that changes life May you find comfort and peace as you read these poems God Bless Ray Tapp
