

Survey of the machine

Unpacking

Place the machine on the table and remove the plastic wrapping. Remove the top cover which can later be used to protect the machine. Store the accessory box with the foot control to the left from the machine.

Place the machine clean before you start sewing and be especially careful with the presser foot and the needle. Remove the machine. The machine is equipped with a number of presser feet and these are placed in their plastic bags. Remember the sewing of the accessories, presser feet to page 10 under "Accessories".

The machine has light to change the equipment of the machine without your notice.

Putting the machine away

Put the presser foot on the left side and the needle on the machine. Store the accessories and parts in the box. Store the foot control and presser foot in the control compartment.

Make sure that all accessories and the foot control are correctly placed in the box.

The bottom of the foot control should be turned around the machine. Store the accessories box and presser foot in the presser foot.

To remove the presser foot, turn the handle by moving the handle. The machine can easily be transported.
