Instructions: Match each term to its definition below by selecting the correct term from each dropdown list. Scroll down to see all of the definitions. When you are done, select Check.

1. \_\_\_\_\_ means that each individual has a designated supervisor to whom they report to at the scene of the incident.
2. \_\_\_\_\_ allows agencies with different legal, geographic, and functional authorities and responsibilities to work together effectively without affecting individual agency authority, responsibility, or accountability.
3. \_\_\_\_\_ refers to the orderly line of authority within the ranks of the incident management organization.

Unity of Command ▾

Unified Command ▾

Chain of Command ▾

Instructions: Select the correct answer below.

The command function must be clearly established from the beginning of an incident. When command is transferred, the process must include:

- ☐ A meeting of all Command and General Staff to communicate tactical direction.
- ☒ A briefing that captures all essential information for continuing safe and effective operations.
- ☐ A revision of the incident objectives and the development of a new Incident Action Plan.
- ☐ A listing of preferred terminology for organizational functions, incident facilities, resource descriptions, and position titles.

Instructions: Read the situation and question below, then select your answer.

Scenario: Heavy rains have caused flash flooding throughout the municipality. Response actions have begun with eight resources reporting to the Operations Section Chief (see the diagram). Is the situation consistent with the NIMS Management Characteristic of Manageable Span of Control?

Review each statement below and indicate if it is true or false. Select your answers from the dropdown lists for each item, then click on the Check button to check your work.

1. Accountability means that incident personnel adhere to check-in/check-out, incident action planning, unity of command, resource tracking, and other principles.
2. An Incident Action Plan is an oral or written plan containing objectives that address tactics and support activities for the planned operational period.
3. In a major incident, personnel and equipment should be dispatched even without being requested.
