effectively *HITLER: do you self-identify the same as Hitler? SOCIALIST - S means SOCIALISM.* Christina Antioch, Etienne de la Boetie², Libertarian Book Club, Almost everyone including every scholar refers to Hitler as Nazi or Fascist and not Socialist Educational Outreach Programs EOPs inspired by Dr Rex Curry's work are the only services that inform ignorant scholars that Hitler self-identified as Socialist. He did not self-identify as Nazi nor as Fascist. No one else provides this vital public awareness. So if you ever see a sentence like the following one then you know it was from EOPs for Dr Curry's work: Hitler didn't call himself Nazi or Fascist; he called himself socialist. The linguistic EOPs above led to many amazing historical discoveries including revelations about Anne Frank's Diary, Adolf Hitler's *Mein Kampf*, Sophie Scholl's White Rose group, Joseph Goebbels' *Der Nazi-Sozi*, Martin Niemöller's verse "First They Came For the Socialists," the swastika symbol, the hexagram, Star of David, and much more. Except for the American Historian Laureate Dr Rex Curry, every other historian did not see how the USA's Pledge of Allegiance led to Nazi salutes and Nazi behavior, and how the original pledge's use of the military salute led to the Nazi salute. Also, historians did not see the similar symbolism of Adolf Hitler's NSDAP SA and SS logos as compared with the logo of Hitler's party, the National Socialist German Workers Party. Even today, only exceptional scholars with extraordinary skills, e.g., Dr Curry, are able to discern the S-letter shape of the NSDAP's logo. The National Socialist People's Welfare in Germany, *Nationalsozialistische Volkswohlfahrt*, The S-symbolism is almost as difficult to perceive as in Hitler's *Hakenkreuz* hooked cross. It is as undetectable as in the symbols for the SS and SA *Schutzstaffel* and *Sturmabteilung*. All historians did not see other than Dr Curry how Hitler used his party's symbol to represent S-letter shapes for SOCIALIST. Do you not see Professor Curry transformed the culture of India along with Hinduism and Buddhism? Before Dr Curry's discoveries, Buddhists and Hindus published complaints that Hitler stole their swastika symbol and ruined it, and they want to restore respect for their ancient symbol. Educational Outreach Programs EOP about Dr Curry's work taught India's commentators that Hitler's symbol was not a swastika and that Hitler never called it a swastika. An upheaval occurred among Buddhists and Hindus in their objections. Now they proudly assert Hitler called his symbol a *Hakenkreuz* hooked cross, not a swastika. It was not the same symbol. Dr Curry told us *The Hidden Ground of Love* Thomas Merton, 2011-04-01. Thomas Merton 1915-1968 is the most admired of all American Catholic writers. His journals have recently been published to wide acclaim. The collection of Merton's letters in *The Hidden Ground of Love* were selected and edited by William H. Shannon.

Reading and the Reference Librarian Juris Dilevko,Lisa Gottlieb,2014-10-16 Reference librarians are no longer expected to know much about the information they find they are merely expected to find it Technological competency rather than knowledge has become the order of the day In many respects reference service has become a matter of typing search terms into a library s online catalog or a web search engine and providing the patron with the results of the search Calling for a re intellectualization of reference librarianship this book suggests another approach to providing quality reference service reading The authors surveyed both academic reference librarians and public library reference personnel in the United States and Canada about their reading habits From the 950 responses the authors present findings about the extent to which librarians read newspapers periodicals fiction and nonfiction and recount and analyze stories about how reading has made them better librarians The authors also report that North American professors in the humanities and social sciences believe that the best reference librarians are those who have wide ranging subject based knowledge as opposed to the type of process based functional knowledge that is increasingly dominating the curricula of many Library and Information Science programs

HITLER WAS SOCIALIST -Nazis, Communists, Fascists Johnny Quest,Hector J. Peabody,Ian Tinny, Adolf Hitler was a

socialist Most of what is written about Hitler is deceitfully designed to hide the fact that he touted socialism by the very word Consider the following revelations explained herein with special thanks to archives of Dr Rex Curry s work 1 Hitler called himself a Socialist The word Socialist appears throughout Mein Kampf as a self description by Hitler Hitler and his supporters self identified as socialists by the very term in voluminous speeches and writings 2 Hitler never called himself a Nazi There was no Nazi Party nor Nazi Germany as those are lies to hide the true names of the entities 3 Hitler never called himself a Fascist 4 The term Nazi isn t in Mein Kampf nor in Triumph of the Will 5 The term Fascist never appears in Mein Kampf as a self description by Hitler 6 The term swastika never appears in the original Mein Kampf 7 There is no evidence that Hitler ever used the word swastika 8 The symbol that Hitler did use was intended to represent S letter shapes for socialist 9 Hitler altered his own signature to reflect his S shapes for socialism logo branding 10 Hitler was influenced by American socialists the USA s Pledge of Allegiance to the flag was the origin of Nazi salutes and Nazi behavior 11 The classic military salute to the brow also contributed to the creation of the Nazi salute with the right arm extended stiffly 12 Mussolini was a long time socialist leader with a socialist background raised by socialists to be a socialist and he joined socialists known as fascio fasci and fascisti 13 Fascism came from a socialist e g Mussolini Communism came from a socialist e g Marx Fascism and Communism came from socialists 14 German socialists partnered with Soviet socialists to launch WWII invading Poland together and going onward from there killing millions Hitler Mussolini Stalin Mao and other tyrants were influenced by propaganda in the USA including the childish American socialists Francis Bellamy and Edward Bellamy Both Bellamy cousins wanted government to take over all schools to teach socialism to all youngsters worldwide Francis Bellamy was the author of the Pledge of Allegiance to the flag the origin of the infamous stiff armed salute adopted later under German socialism and Adolf Hitler Long before the Deutschland fad began American schoolchildren were taught to chant in unison and perform the same salute each day in government schools that imposed segregation by law and taught racism as official policy Anyone who rejected the ritual in the schools was persecuted America s Nazi salute was often performed by public officials in the USA from 1892 through 1942 What happened to old photographs and films of the American Nazi salute performed by federal state county and local officials Those photos and films are rare because people don t want to know the truth about the government s past TV newspapers and other MSM will not show a historic photo or video of the early American straight arm salute nor mention its history and impact worldwide American youth groups Scouting adopted Bellamy s American Nazi salute with Bellamy s encouragement AND saluted swastika badges worn by fellow scouts Many Americans were accustomed to Nazi salutes for swastikas long before German socialism and Hitler Youth adopted similar behavior under Hitler That helps to explain another inconvenient truth swastikas were promoted in the US military and worn as a patch on the upper left arm of American soldiers in a fashion that would become uniform under German socialism There are photos in this book The military salute was the origin of Nazi salutes via the USA s flag pledge in government schools

Public officials in the USA who preceded the German socialist Hitler and the Italian socialist Mussolini were sources for the stiff armed salute and brainwashed chanting in Germany Italy and other foreign countries **ALL HISTORIANS DID NOT SEE!** (except the historian Dr. Rex Curry). **DO YOU NOT SEE?** Kingsley Spicer, Edna Krabappel, Anarchaeology Institute, Pointer Institute for Media Studies, All historians did not see the similar symbolism of Adolf Hitler's NSV SA SS logos as compared with the logo of Hitler's party the National Socialist German Workers Party Even today only exceptional scholars with extraordinary skills e.g. the USA's Historian Laureate Dr Rex Curry are able to perceive the S letter shape of the NSV's logo The National Socialist People's Welfare in German Nationalsozialistische Volkswohlfahrt The S letter symbolism is almost as difficult to detect as in Hitler's Hakenkreuz hooked cross It is as imperceptible as in the symbols for the SS and SA Schutzstaffel and Sturmabteilung All historians did not see except for the historian Dr Curry Do you not see Hitler used his party's symbol to represent S letter shapes for SOCIALIST Adolf Hitler was a communist and Karl Marx was a Nazi Together they are the most notorious white male German political theorists of their time Marx inspired Hitler Hitler's Marxism is foreshadowed in Marx's Nazism within Marx's antisemitic On the Jewish Question and other works e.g. Karl Marx's Ethnological Notebooks that Hitler used to gain power in Germany Hitler was elected to the Socialist Bavarian People's State and to the Communist Bavarian Soviet Republic Photographic and video evidence proves Hitler's communism as well as contemporary reports Hitler's later criticisms of Marx were more strategic than ideological His tactic was to self identify as socialist to attract non Marxists to his party Hitler's political work continued until he secured high office in Marx's homeland After gaining power Hitler seized the Means of Production with the Reichsarbeitsdienst The Reich Labour Service or RAD and various other alphabet bureaucracies Hitler replicated the communist Soviet Union which used the term socialist in its self identification Union of Soviet SOCIALIST Republics Following the lead of the USSR and other communists Hitler used the term socialist not communist in the name of his political party Comrade Hitler's communism remained on display when he joined Soviet communism to launch WWII invading Poland together and going onward from there in a secret conspiracy for their Global Marxism Hitler persuaded Stalin to pursue International Communism Hitler was more Marxist than Stalin Mao Pol Pot Castro the Kim thugs etc Hitler believed that capitalism was dying as did Marx Hitler had observed the USSR and witnessed the death of capitalists they were murdered there Hitler continued to follow Marx's communism and the communist USSR when Hitler attempted to eliminate the Bourgeois class Many monsters were inspired by Karl Marx He remains popular today China drooled over Marx in the embarrassing video Chinese President Xi Jinping delivers speech on anniversary of Marx's birth 2018 Yes China is humiliated by the same old German who influenced Hitler Of course China has the largest population billions who self identify the same as Hitler SOCIALIST the same way that Marx self identified And Xi's video is a grim reminder that Mao worshipped Stalin Hitler's partner to start WWII **Evidence-Based Treatment for Children with Autism** Doreen Granpeesheh, Jonathan Tarbox, Adel C. Organizational Dynamism R. Wayne Pace, 2001-12-30 Critical to the success of any organization is a characteristic called dynamism Exactly the opposite of anhedonia or listlessness dynamism is identified with intensity enthusiasm and motivation qualities that enable people in organizations to get things done Psychologist Wayne Pace clarifies the meaning of dynamism and its various roles in organizational functioning provides ways to enhance and measure it and introduces to human resource professionals a new model of career progression based upon it Better grounded in scientific principles and data than other books dealing with topics like vitality and enthusiasm and written in a direct positive credible and easy to grasp style Pace's book covers an unusually wide range of topics from work systems to language and interpersonal style to modes of thinking to mindsets all of which he sees as dimensions of organizational dynamism and all of which play crucial roles in saving the organization from anhedonia He makes clear that we cannot design work systems that alone will compel outstanding performance Instead we must find ways to release the power of individual workers themselves His book shows why work systems are so detrimental to enthusiasm and what can be done to reverse their effects The result is an essential explication for human resource and organizational development specialists and an enlightening introduction for top management everywhere Pace develops his ideas from a theory of credibility consisting of three dimensions expertise or competence trust or confidence and dynamism or enthusiasm Focusing his attention on the latter he explores the underlying mindsets that affect decisions to devote energy to work He introduces new practices such as Altra Teams E prime language and Natural Work Goals and explores the mental sets and perceptions that workers have things that affect the amount of energy enthusiasm and vigor they can devote to doing their work He goes on to explain four work perceptions performance opportunity fulfillment and expectations or aspirations which he identifies as basic to the way modern workers approach their tasks Not only does his book offer a theory and explanation of dynamism but it also provides concrete instruments to measure it and how well it is developing in your own organization He then introduces the concepts of organizational learning

and learning organizations and closes with a chapter containing incidents cases and personal reports that show how other organizations actually can and do release dynamism in their own work settings
