If I Was Jonah:

Forgiveness in a Wounded World Janet Howe Gaines, 2003 The Kindergarten-primary Magazine Bertha Johnston, E. Lyell Earle, 1922 **Magic Mushrooms in Religion and Alchemy** Clark Heinrich, 2002-09 An illustrated foray into the hidden truth about the use of psychoactive mushrooms to connect with the divine Draws parallels between Vedic beliefs and Judeo Christian sects showing the existence of a mushroom cult that crossed cultural boundaries Contends that the famed philosophers stone of the alchemist was a metaphor for the mushroom Confirms and extends Robert Gordon Wasson s hypothesis of the role of the fly agaric mushroom in generating religious visions Rejecting arguments that the elusive philosophers stone of alchemy and the Hindu elixir of life were mere legend Clark Heinrich provides a strong case that Amanita muscaria the fly agaric mushroom played this role in world religious history Working under the assumption that this magic mushroom was the mysterious food and drink of the gods Heinrich traces its use in Vedic and Puranic religion illustrating how ancient cultures used the powerful psychedelic in esoteric rituals meant to bring them into direct contact with the divine He then shows how the same mushroom symbols found in Hindu scriptures correspond perfectly to the symbols of ancient Judaism Christianity the Grail myths and alchemy arguing that miraculous stories as disparate as the burning bush of Moses and the raising of Lazarus from the dead can be easily explained by the use of this strange and powerful mushroom While acknowledging the speculative nature of his work Heinrich concludes that in many religious cultures and traditions the fly agaric mushroom and in some cases ergot or psilocybin mushrooms had a fundamental influence in teaching humans about the nature of God His insightful book truly brings new light to the religious history of humanity The Tony Evans Bible Commentary Tony Evans, CSB Bibles by Holman, 2019-10-01 Tony Evans is one of the most influential church leaders of our time and has been studying and preaching the Gospel for over 50 years He is senior pastor of Oak Cliff Bible Fellowship in Dallas TX and founder of The Urban Alternative a ministry which promotes a kingdom agenda philosophy designed to enable people to live all of life underneath the comprehensive rule of God The Tony Evans Bible Commentary includes an introduction to each Bible book followed by passage by passage exposition of the entire Bible by Dr Tony Evans In addition there is a special front matter section with introductory resources The insights in this commentary will help explain God s Word in a fresh way Applying these truths will empower readers to have transformed lives that then transfer the values of the kingdom of God to others The Tony Evans Bible Commentary features the highly readable highly reliable text of the Christian Standard Bible CSB The CSB stays as literal as possible to the Bible s original meaning without sacrificing clarity making it easier to engage with Scripture s life changing message and to share it with others **Other Elect** Jeremiah E. Dahl, 2025-05-30 An in depth breakdown of the theological and exegetical basis for salvation amongst the unevangelized in Reformed theology What is the fate of those who never hear the gospel What becomes of the unevangelized Does Reformed theology allow for belief that some even many who never hear the gospel are

saved and if so what might that look like Perhaps more importantly does Scripture provide any hope for their salvation A standard answer from the Reformed tradition is that those who never hear the gospel are simply not elect if they were God in His sovereignty would have sent the gospel to them Yet the Westminster Confession affirms the reality of other elect those incapable of being outwardly called by the ministry of the Word WCF 10 3 Many luminaries of the Reformed tradition W G T Shedd A A Hodge John Gerstner Douglas F Kelly Philip Rollinson Richard J Mouw R C Sproul and others have left open the possibility this refers to the unevangelized Granting this possibility how can this be squared with the rest of Reformed theology and what exegetical ground is there for such a view This book seeks to establish the theological and exegetical framework necessary to support such a view It argues both that Reformed theology has the tools to account for such a possibility and that Scripture provides ample evidence to not just establish the possibility but the reality of salvation amongst the unevangelized
