

Jean Valjean's Redemption: Trust and Loyalty in "Les Misérables"

3 pages | 744 words

Set against the backdrop of 19th-century France, Victor Hugo's historical masterpiece, *Les Misérables*, intricately weaves the tale of its protagonist, Jean Valjean, as he grapples with the shadows of his past. Confronted with societal condemnation, Valjean embarks on a journey of redemption, marked by sacrifices for loved ones and unwavering commitment to moral and political convictions.

Trustworthiness

At the heart of Jean Valjean's redemption is his relentless pursuit of trustworthiness, a quality he proves through tangible actions that redefine his character.

Early in the narrative, Valjean makes a solemn promise to a dying mother, Fantine, vowing to rescue her daughter Cosette from the clutches of the Thenardiers. This commitment is not just an ephemeral declaration but a testament to Valjean's steadfastness. The narrative states, "*On the evening of the same day that Jean Valjean had rescued Cosette from the clutches of the Thenardiers...*" (95).

Valjean's trustworthiness extends to encounters with others in dire circumstances, such as the impoverished Jondrettes. Offering financial aid for their housing, he becomes the catalyst for their improved fortune. Even when faced with the personal dilemma of Marius's love letter to Cosette, Valjean's commitment to trust is unwavering, as he selflessly turns the letter over to its intended recipient. His actions transcend the expectations society places on a former convict, proving that Valjean can be relied upon.

Moreover, Valjean's selfless act of rescuing two children from a burning house upon his arrival. He underscores his dedication to the welfare of others, even at the risk of being identified by authorities. These instances collectively paint a portrait of a man determined to prove his trustworthiness, a far cry from the societal perception of a hardened criminal.

Selflessness

Valjean's path to redemption is paved with numerous acts of selflessness, each serving as a building block in the reconstruction of his character. Foremost among these acts is his relentless pursuit of a better life for Cosette. Swimming underwater to reach a ship anchor, concealing himself in a boat, and finally arriving in Paris to rescue Cosette from the clutches of the Thenardiers demonstrate Valjean's selflessness at its zenith (95). The narrative paints a vivid picture of his determination and willingness to risk everything for the sake of another.

This selflessness persists in the heat of battle during the barricades, where Valjean risks life and limb to save Marius. This commitment to the welfare of others, even after enduring the hardships of a prison sentence, exemplifies Valjean's enduring selflessness. Furthermore, his investment of fortunes in community restoration speaks volumes about his priorities, emphasizing the transformation of a former convict into a benevolent contributor to society.

Loyalty

Integral to Valjean's redemption is his unwavering loyalty, a quality that defines his interactions and shapes the narrative's trajectory.

From the outset, Valjean's loyalty is established through his adherence to the advice of a noble bishop. The bishop's condition, "*Be an honest man*" (90), becomes a guiding principle for Valjean, setting the stage for his subsequent actions. This loyalty is further demonstrated as Valjean invests all his fortunes in restoring a community that, initially, only sees him as a former convict.

Another poignant moment...

Images of Redemption Patrick Sherry,2003-05-01 After discussing the arts of redemption and their rivals and introducing soteriology the theology of salvation Patrick Sherry argues that the Christian Drama of Redemption has three Acts The next five chapters discuss the three Acts namely salvation history our present human life and the life to come In each case Sherry explains how art and literature can lead to an understanding of what is at stake here His main concern is with the present life hence three of those chapters deal with that phase of redemption one of them specifically with novels of redemption The last substantial chapter of the book takes up the general issue of how art and literature contribute to religious understanding Sherry argues that they may be primary expressions of religious belief as well as illustrations and that as such they may criticise or complement theology or in turn be open to criticism themselves from that quarter Finally he summarises the main theme and briefly discusses some of the particular problems of assessing the arts of redemption The book s most distinctive feature is the way in which it uses art and literature as a means of religious and theological understanding It is not a survey of the arts of redemption though it uses a wide variety of examples including ancient Greek drama Flemish and Italian painting religious music and 19th 20th century novels These examples are used as a tool for understanding what is one of the most difficult areas of theology **Making the Word of God Fully Known** Paul A. Barker,Bradly S. Billings,2020-01-20

Making the Word of God Fully Known is a collection of essays on church culture and mission relevant for the Australian church in honor of the sixty fifth birthday of Archbishop Philip Freier archbishop of Melbourne The essays cover aspects of mission strategy ministry of women ministry to Australian indigenous people responding to past history of child sexual abuse and issues of liturgy and ecclesiology The target is Australian ministers and laypeople The essays largely come from Melbourne a richly diverse Anglican diocese and reflect the priorities and strategies of Archbishop Freier s thirteen years as archbishop
