TERM 1

Section A: Comprehension Test

Read the folklore and answer the questions that follow.

King Midas and the Golden Touch

One evening, King Midas was all alone, admiring his gold. Just then, a servant walked in and commented on how happy the king looked. Midas responded that he wished he could make anything he touched turn to gold, that would make him even happier.

The king went to bed that night, dreaming of all the gold in the world. The next morning, he woke up and to his surprise, everything he touched turned into gold! The king was overjoyed! He went around touching everything that he could. Things quickly turned around when the king sat down to eat his breakfast and realised that he could not eat or drink anything without it turning to gold. The king started to worry that if he touched his daughter, she would turn to gold too.

Memorandum For Home Language Grade 4 2013:

LANGUAGE AND EDUCATION POLICIES IN THE PHILIPPINES David Michael M. San Juan ,2023-01-01 This book is aimed at critiquing existing language and education policies through the lens of language advocates and typically politically sidelined education stakeholders and at the same time providing feasible policy recommendations to steer policies closer to grassroots aspirations of a multilingual country where our collective sense of nationhood and nationalism empowers us to reshape our education system for national development rather than the tired catchphrase of global competitiveness Such critiques and alternative perspectives are informed by available studies recent data and updated statistics This book is thus a handy introduction to 21st century language and education policies in the Philippines for both education stakeholders advocates administrators professionals and students

Official Gazette of the United States Patent and Trademark Office ,2003 *Teach* Janice Koch,2019-01-02 *Teach* is a concise introduction to education that challenges students preconceived notions of teaching in order to transform them into reflective practitioners Empathizing with the difficulties students face as they move from the college classroom to their own classrooms revered author Janice Koch invites readers to both reflect on their own dispositions for teaching and look outside of themselves to the demands of the profession making the philosophy of teaching and learning accessible and relevant The Fourth Edition emphasizes the changing student population and the role of technology and globalization in the field while also including the Interstate Teacher Assessment and Support Consortium InTASC standards correlating with each chapter s content With the guidance of this supportive text students will gain vital exposure by engaging with professional standards from the very start of their career
