Gather Together In My Name English Edition:

Gather Together in My Name Tracy Price-Thompson, 2008-05-20 From the nationally bestselling and Hurston Wright award winning author Tracy Price Thompson comes a heartbreaking story of loyalty and love that goes beyond the ultimate sacrifice Coming of age in the heart of crime ridden Brooklyn Shyne Blackwood is one in a set of triplets born into poverty and great tragedy While his brothers are raised to seek a life of promise Shyne's path veers early on A street seasoned hustler he becomes known as a liar a thief and ultimately a killer Personifying many of the negative stereotypes attributed to black men Shyne is accused and convicted of the brutal murder of a child and an entire city demands vengeance as he's sent to death row in a cold New York state prison On the eve of Shyne's execution five people travel to Quincy Correctional Facility to witness the event As the clock counts down to midnight and while everyone has long since abandoned Shyne to his fate a secret at the heart of this unthinkable crime remains to be discovered It is a secret that will test the bonds of family the strength of one man's character and the redemptive power of a love worth dying for **Gather Together in My Name** Maya Angelou, 2009-04-21 In this second volume of her poignant autobiographical series Maya Angelou powerfully captures the struggles and triumphs of her passionate life with dignity wisdom humor and humanity A curiously heartening story in which decency honor truth love do exist imperfectly fractionally and flickeringly not in some Platonic realm of the ideal but in the flawed lives of real men and women The Washington Post *Gather Together in My Name* continues Maya Angelou's personal story begun so unforgettably in *I Know Why the Caged Bird Sings* The time is the end of World War II and there is a sense of optimism everywhere Maya Angelou still in her teens has given birth to a son But the next few years are difficult ones as she tries to find a place in the world for herself and her child She goes from job to job and from man to man She tries to return home back to Stamps Arkansas but discovers that she is no longer part of that world Then Maya's life takes a dramatic turn and she faces new challenges and temptations *Maya Angelou* Mary Jane Lupton, 2016-01-18 This book presents the extraordinary life and writings of Maya Angelou It examines the changing viewpoints in her six autobiographies within the context of women's and African American autobiographies with specific reference to the slave narrative and to contemporary fiction and film *Maya Angelou The Iconic Self* examines this iconic artist's work as an autobiographer offering an up to date assessment of Angelou's contributions to American literature and to American and international culture This is the only book to interpret Angelou's autobiographies as unique experiments in the history of black narrative It attests to Angelou's creativity in transforming the typical single volume autobiography into a six volume personal and cultural adventure that tells the truth but reads like fiction The narratives cover the years from the Great Depression 1941 to the days following the assassinations of Malcolm X 1965 and Martin Luther King 1968 emphasizing Angelou's roles as mother daughter granddaughter wife and friend This revised edition also presents information about Maya Angelou's funeral and her continuing legacy since her death in 2014 The depth and scope of the book's observations regarding Angelou's

autobiographies will be of great interest to readers seeking an analysis of the interconnections among Angelou's writings as well as serve students taking courses in women's studies or black culture studies
