Zimbabwe National Bibliography ,1994 **Text Complexity** Douglas Fisher,Nancy Frey,Diane Lapp,2016-01-28

There is a big difference between assigning complex texts and teaching complex texts Doug Fisher Nancy Frey and Diane Lapp And that s the crux isn t it That s why in this brand new edition of the bestselling Text Complexity the renowned author team provide four new chapters that lay open the instructional routines that take students to new places as readers No matter what discipline you teach you will learn how to craft purposeful instruction pitched to your readers comprehension capacities your curriculum s themes and your own assessments on what students need next Doug Nancy and Diane provide How to s for measuring word and sentence length and other countable features of any written work while giving ample consideration to the readers in your room and how their background knowledge experiences and motivations come into play A rubric for analyzing literary texts for plot structure point of view imagery clarity and more and a complexity scale for analyzing informational texts that describe inform and explain Classroom scenarios of teachers and students engaging with fiction and nonfiction texts that provide enough of a stretch so you ll know the difference between a healthy struggle and

frustration The authors latest thinking on routines that invite students to interact with complex texts and with one another including teacher modeling close reading scaffolded small group reading and independent reading It s time to see text complexity as a dynamic powerful tool for sliding the right text in front of our students at just the right time Think of this second edition as Text Complexity 2 Go because it s all about the movement of minds at work going deeper than anyone ever thought possible
