A Word With You: My Journal Through The Bible Al Lowry, 2023-12-18 Have you ever wanted to read through the entire Bible You can Join Al Lowry as he reads through the Bible in a year using this Daily Bible Reading Guide Each daily reading is accompanied by a few words from Al to gently nudge you to do what he once thought was impossible to read through the most important book ever written FROM THE INTRODUCTION I began writing this journal 9 years ago when a friend told me of a Guilt Free reading plan that went through the entire Bible He explained that the principle was to just take time to read or listen to that day's passage and if you miss a few days to skip ahead to the current day's reading He said people will read through more of the Bible this way than if they stop part way for lack of keeping up Then they can read it again the next year and pick up the passages they missed the first time around I responded I just might be the poster child for quitting as I would start well many a January only to fall hopelessly away when tedious books like Numbers Leviticus or Deuteronomy would sideline me in the first quarter Then he challenged me in a very big way He had one of the first online ministries called The Ranch at theranch

org I read about it in USA Today and through a set of rather unusual circumstances we became connected as good friends He suggested I invite readers to follow along with me and that 1st day of the year I introduced a Facebook page with that very purpose He gave me an invitation to include my plan in one of his online sermons and put out an open invitation to whoever might be inclined to join me About 450 people signed up and that set me on course with a lot of accountability partners with whom I would share a devotional each day At the end of that year I could not believe I d finally accomplished this challenge of reading Genesis through Revelation So what next just be done with it I decided to do it again the next year and the next and the next I believe God has a sense of humor and turned me into the Forrest Gump of Bible reading Remember how he kept running back and forth across the country I mentioned we started with about 450 in our Facebook group the first year and now there are over 1500 This year I decided to put the devotionals in book form so readers would have the option to join me online or by paperback Regardless of your own motivation to read the Bible I sure would be privileged to walk by your side The goal is still the same as when we started to grow in our faith by reading through as much of the Bible as we can Hopefully my light commentaries can give you that gentle nudge that helps you also do what I felt was impossible to read the Bible in its entirety *FATHER TO THE FATHERLESS* Myama Myowne,2010-04-19 Thousands of children and teenagers in the United States are growing up in homes where one or both biological parents are missing in action The results of absent parents are far reaching and truly devastating for the future of our homes and our families Myama Myowne knows this fact all too well She s lived it She s experienced the impact And she has a testimony that she wants to share The truth of not having her father around when she needed him was painful But God had other plans for her future It included giving her the opportunity to see Him as the Father she never had and also gave her the ability to see the substitute father figures that He brought into her life at critical times in her development as the fathers she needed as well The book you hold in your hands tells the story of what happens when God intervenes and changes the future It not only tells Myama s story It also shows the important role we all play in changing the present realities of many youth that need the love of one or both parents that may be missing from their lives This much needed book is meant to make a difference in the climate of our families neighborhoods and cities **LOVE LUST AND SCANDALOUS HOOKUPS** Gil Tu'Challa,2022-07-22 Today we live in a new world dominated by social media platforms such as Facebook Instagram Twitter and online dating applications These platforms have changed the way we meet socialize and interact with each other like never before Love Lust Scandalous Hook Ups LLASH chronicles the intimate sordid affairs of real people and their social media experiences Not for the faint of heart LLASH is unapologetically raw vivid explicit and at times vulgar These true life confessionals are shocking twists of lust that will captivate and arouse the senses A late night must read Gil Tu Challa s literary debut Love Lust and Scandalous Hook ups is an erotic docu series like no other *The Shattered Heart* Rose Monreal,2009-12 It was almost midnight when Rose Monreal received the dreaded phone call informing her that her only child Steven was killed in a car accident For the next

several years Rose entered a period in her life that drove her to the edge of insanity How does one cope with the loss of a child The Shattered Heart A Mother s Infinite Love tells the deeply moving true story of unimaginable pain It is a story that begins in the darkest moments of grief and feelings of guilt a story that captures the daily struggle of living life without her child and her own desire to end it all Finally it is a story of the healing power of faith that transformed Rose to be able to accept and live another day The Shattered Heart A Mothers Infinite Love is filled with original poems songs and art It is an inspiring story that captures the extraordinary power of God who gives us the solace and the courage to face the darkest chapters of our lives

Finding My Way Home Reddy Suzwe,2010-03 I had asked the ultimate question what is Life before and so now my prayers were being answered I was about to find out for myself Never imagined this is how God was going to capture my heart but he did and so the journey begun This provided insight on how God healed my broken heart as he mended and repaired my being At first it felt like I went in for an open heart surgery and I was not on any medication so every single thing that was touched on I really felt it As painful as some of the things done to me in the past felt I came to understand that was the reason why my Lord was there so I chose to allow Him into my life for healing to begin It was in Him to give and so a new heart was provided for me to be able to live pain free As I accepted the gift I was given I felt the heart beat like never before A tear drop rolled down my cheek and I knew I was transformed I came to find out it was new life in me I was coming out a new person a new being who was no longer conformed to the world but renewed enlightened enriched I woke up and realized I was no longer sleeping beauty as I got the awakening To me that was healing from the house of heaven I was now free from heartache no longer day dreaming but living the dream The documentary touches on life experiences and showcases a woman s journey as she worked to free herself from oppression rebuilding her life to make it out of the wilderness alive It turned out to be a journey of a lifetime

That Mean Old Yesterday Stacey Patton,2007-09-04 An astonishing coming of age memoir by a young woman who survived the foster care system and went on to become an award winning journalist On a rainy night in November 1999 a shoeless Stacey Patton promising student at NYU approached her adoptive parents house with a gun in her hand She wanted to kill them Or so she thought No one would ever imagine that the vibrant smart and attractive Stacey had a childhood from hell After all with God fearing house proud and hardworking adoptive parents she appeared to beat the odds But her mother was tyrannical and her father turned a blind eye to the years of abuse his wife heaped on their love starved little girl Now in her unforgettable memoir Stacey links her experience to the legacy of American slavery and successfully frames her understanding of why her good adoptive parents did terrible things to her by realizing they had terrible things done to them She describes a story of how a typical American family can be undermined by their own effort to be perfect on the surface while denying emotional wounds inflicted even generations before that were never allowed to heal Unflinching and powerfully written That Mean Old Yesterday ultimately brings light and gives a voice to children who have experienced mistreatment at the hands of those who are meant
