There was a knock upon my door
...In...the light...was she

My Life of Ministry, Writing, Teaching, and Traveling Mark G. Boyer, 2021-02-04 In My Life of Ministry Writing Teaching and Traveling The Autobiography of an Old Mines Missionary I present my life as a child growing up in a French village about sixty miles south of St Louis in the middle of the twentieth century After eighteen years of life in Old Mines the oldest settlement in the state of Missouri I moved to St Louis for four years and then to St Meinrad Indiana for four years where education opened my eyes to a world very much larger than my village of origin Life continued for me after ordination as a priest in the Roman Catholic Church in Springfield and Joplin Missouri Because my life is the thread stitching together this book I have made it manageable by dividing it into four categories ministry writing teaching and travel These categories contain the stories of others whose life threads of seventy years are woven into my lifetime tapestry This is my autobiography one of a missionary from Old Mines to the thirty nine counties forming the southern third of the state of Missouri composed during my seventieth year of life

The Ministers' War Michael Doyle, 2018-03-08 Unbridled passions threatened nineteenth century America a vulnerable young nation already feeling beset by foreigners corruption and disease Purifying crusaders like Hamilton College philosophy professor and Presbyterian minister John W Mears mobilized to fight every sin and carnal lure from liquor to free love In Upstate New York's famed Oneida Community Mears encountered his stiffest challenge Oneida's founder and patriarch John Humphrey Noyes

oversaw a radical Christian commune where men and women sexually mingled through the practice of complex marriage. While others struggled to dislodge the community that had evolved since 1848 into a successful business venture and congenial neighbor, it was Mears who after years of trying rallied New York's church and university leaders for a final concerted anti-Oneida campaign. In *The Ministers War*, Doyle traces the full story of Mears and the crusade against the Oneida Community. He explores the ways in which Mears's multipurpose zeal reflected the passions behind the nineteenth-century temperance movement, the fight against obscenity, and the public animus toward unconventional thought. As an author, political candidate, and controversialist, Mears was a prominent moralizer at a time when public morality seemed to be most at risk.

This volume examines to what extent the positive atmosphere created by the Helsinki Accords contributed to the change in political circumstances seen in the countries of Central Europe under Soviet domination. It focuses in particular on firstly a consequent new impetus to bolster human rights in international politics as Western democracies, especially the US, integrated human rights concerns into its foreign policy relations with Soviet Bloc countries, and secondly how this Western embrace of human rights seemed to create new incentives for increased dissident activity in Central and Eastern Europe, and from 1976 onward. Finally, the book reminds us of the significant role of the Helsinki Accords in developing democratic practices in Eastern European societies under Soviet domination in 1975-1989, and in creating the conditions for the peaceful transition to democratic government in the years that followed. This book will be of key interest to scholars and students of the history of communism, post-Soviet Russian, and central and East European politics, the history of human rights, and democratization.
