cleanliness in advertising texts in Italy Russia and the UK the Walls Cornetto strategy of internationalization of product appeal followed by localization the role of the translator in recreating appeal in different lingua cultural contexts what constitutes Italianness in advertisements for British consumers and strategies for repackaging France as a tourist destination

The American Bookseller, 1884 **Hanna Fenichel Pitkin** Dean Mathiowetz, 2016-05-26 Hanna Fenichel Pitkin has made key contributions to the field of political philosophy pushing forward and clarifying the ways that political theorists think about action as the exercise of political freedom In so doing she has offered insightful studies of the problems of modern politics that theorists are called to address and has addressed them herself in a range of theoretical genres This collection of her works approaches each of these dimensions of Pitkin's contributions in turn *The Modern Condition* and *The Impetus to Theorize* Pitkin has offered sustained reflection on what aspects of modern political life prompt the impulse to theorize politics Highlighting the pitfalls that modern life and philosophy also present for that enterprise she suggests an agenda for political theorizing that engages the dilemmas of modernity in ways that grasp the importance of paradox as a portal of insight into the modern condition and eschews attempts at easy resolution *Moral Philosophy Judgment Justice* Pitkin has turned at several points in her career to the concept of justice as one that particularly brings together questions of agency and responsibility the insights of moral philosophy and judgment Drawing upon a variety of methodological resources and theoretical inspirations her work engages ordinary language philosophy pedagogical practice and textual study to yield a complex and subtle set of observations all of which open moral philosophy and matters of judgment to questions of action and responsibility in the exercise of political freedom Action Political agency and its obstacles are a key theme in Pitkin's work and a main area of her theoretical innovation She has examined the appeal of autonomy as a picture of political agency explored the ways that the institutional arrangements of modern liberal societies attempt to link of individual and political agency and offered a picture of political freedom as maintaining the tension between individual parts and collective wholes Finally Pitkin has meditated on the political and social conditions that most impede our ability to grasp agency as a practice of political freedom and gestured to paths that may lead forward **The Key of Green** Bruce R. Smith, 2010-02-15 From Shakespeare's green eyed monster to the green thought in a green shade in Andrew Marvell's *The Garden* the color green was curiously prominent and resonant in English culture of the sixteenth and seventeenth centuries Among other things green was the most common color of household goods the recommended wall color against which to view paintings the hue that was supposed to appear in alchemical processes at the moment base metal turned to gold and the color most frequently associated with human passions of all sorts A unique cultural history *The Key of Green* considers the significance of the color in the literature visual arts and popular culture of early modern England Contending that color is a matter of both sensation and emotion Bruce R Smith examines Renaissance material culture including tapestries clothing and stonework among others as well as music theater philosophy and nature through the lens of sense perception and aesthetic pleasure At the

same time Smith offers a highly sophisticated meditation on the nature of consciousness perception and emotion that will resonate with students and scholars of the early modern period and beyond Like the key to a map The Key of Green provides a guide for looking listening reading and thinking that restores the aesthetic considerations to criticism that have been missing for too long
