Rowling writes that Harry watched an owl flutter toward the school across the bright blue sky a note clamped in its mouth Even after reading the book several times it still catches readers by surprise when they realize that this note was the message used to trick Headmaster Dumbledore into leaving the school for a trip to London That clue doesn't help us solve the plot of the book and it was never explained or mentioned again but when we then see a similar clue in Book 4 we need to pay much closer attention Look for yourself it's awesome The Ultimate Unofficial Guide to the Mysteries of Harry Potter is best read alongside J.K. Rowling's books not as a replacement It does not give the plot away in advance but there IS a spoiler warning because it discusses the endings of each of the books in chronological order No Harry Potter collection is complete without the Guide Written by fans for fans it is the perfect holiday gift for the Potter fan in your life or yourself
