Holidays of the World Cookbook for Students Lois Sinaiko Webb, Lindsay Grace Cardella, 2011-04-12 This updated and revised cookbook helps students explore the holiday customs and unique foods of more than 150 countries. The best way to learn about other ethnic groups is to experience that culture directly. Unfortunately, to travel to foreign places isn't often possible. Giving students the opportunity to learn about and enjoy ethnic customs and holidays through food is a great solution. This new edition of *Holidays of the World Cookbook for Students* provides detailed information about the holidays of nations around the world and presents a multitude of selected recipes that are ideal for each celebration. The recipes appear with each country entry, and the countries are arranged in alphabetical order within each region: Africa, Asia, and the South Pacific, the Caribbean, Europe, Latin America, the Middle East, and North America. With recipes especially adapted for preparation by student chefs, this cookbook is especially appropriate for students in grades 9-12 who are either researching holiday customs and foods or planning to prepare ethnic meals or dishes.
