The Holocaust

2/2/23

There were so many new things that I learned this week from the "Who Were the Sturmabteilung?" and this week's chapter in the book "The Holocaust." The more and more I read or watch any of the videos that you post or read anymore of the book I find it fascinating all the things I learn about The Holocaust and World War II that I had no clue even happened or existed.

To begin, the first thing I would like to discuss is the Sturmabteilung and who and what they were. I always thought that the people who had worked alongside Hitler or his army were just all referred to as Nazis, I didn't know they had segregated groups who were used for different things. Basically, in so many words the "SA" were members of the paramilitary groups during World War I who had regrouped to establish law and order in Germany after its defeat. The SA fought communism and other groups that they believed were responsible for Germany's loss of World War I. The group was very popular and comprised about 400,000 men in their paramilitary activity by 1921. The SA had become very involved in the German workers party which was soon rebranded into the better Nazi Party which fell under the leadership of Hitler.

During this time period speaking about politics was obviously a dangerous thing to do in Germany so The SA would protect their most prized asset which who would've guessed was Adolf Hitler. The speeches would attract communists and enemies of the SA which would result in fights and violence, but this was a key component for Hitler because the SA was made up mostly of military members who were more than capable of handling situations like that.
