The Gendered 'I' in Ancient Literature Lisa Cordes,Therese Fuhrer,2022-10-24 Considering the ubiquity of rhetorical training in antiquity the volume starts from the premise that every first person statement in ancient literature is in some way rhetorically modelled and aesthetically shaped Focusing on different types of Greek and Latin literature poetry and prose from the Archaic Age to Late Antiquity the contributions analyse the use and modelling of gender specific elements in different types of first person speech be it that the speaker is represented as the author of a work be it that they feature as characters in the work narrating their own story or that of others In doing so they do not only offer new insights into the rhetorical strategies and literary techniques used to construct a gendered I in ancient literature They also address the form and function of first person discourse in classical literature in general touching on fields of research that have increasingly come into focus in recent years such as authorship studies studies concerning the ancient notions of the literary persona as well as a historical narratology that discusses concepts such as the narrator or the literary character in ancient literary theory and practice

Regeneration Through Violence Richard Slotkin,2024-01-23 National Book Award Finalist A study of national myths lore and identity that will interest all those concerned with American cultural history American Political Science Review Winner of the American Historical Association's Albert J Beveridge Award for Best Book in American History In *Regeneration Through Violence* the first of his trilogy on the mythology of the American West historian and cultural critic Richard Slotkin demonstrates how the attitudes and traditions that shape American culture evolved from the social and psychological anxieties of European settlers struggling in a strange new world to claim the land and displace Native Americans Using the popular literature of the seventeenth eighteenth and early nineteenth centuries including captivity narratives the Daniel Boone tales and the writings of Hawthorne Thoreau and Melville Slotkin traces the full development of this myth Deserves the careful attention of everyone concerned with the history of American culture or literature Comparative Literature Slotkin's large aim is to understand what kind of national myths emerged from the American frontier experience He discusses at length the newcomers search for an understanding of their first years in the New World and emphasizes the myths that arose
