Dear Sir or Madam,

I am writing to request you to reappraise your manifesto of selling Tower Hamlets playing field to a Quick and Easy Builders.

Predominantly, Tower Hamlets playing field is an admired place for all varieties of ages. Endless generations have shared both ecstatic and melancholy memories as a section of the field is a cemetery where loved ones have been buried and remembered. Would you want cherished memories to be forgotten?

It's incontrovertible that this is a home for many animals including birds, squirrels and even hedgehogs: so if it's changed these innocent animals won't have a home. The fauna and flora are a requisite part to the biodiversity and I am sure that this is an important matter to consider.

On the one hand, it is true that bacteria and germs may spread at this time however most people have took the NHS's advice and have been doing social distancing also maintaining at least 2 feet away from anyone who isn't in their household.

Writing Through the Tween Years Bruce Morgan, Deb Odom, 2005 It's not easy being a tween A lot of us are either in a tunnel or a bridge A lot of us don't know who we are Instead of following Barney's advice we end up doing what popstars do Kelley age 10 No longer little children but not yet teenagers tweens are beginning to see themselves as autonomous while still struggling to understand where they fit in It can also be an awkward time for teachers who cherish the hilarious and poignant personalities of tween writers but feel pressured by a new emphasis on testing in the intermediate grades Many teachers have virtually abandoned writers workshops in favor of formula writing and prompts even though these workshops may be essential for understanding the emerging competencies and personalities of eight to twelve year olds Bruce Morgan and Deb Odom teach together at a school where formula writing and test preparation led to stagnant writing scores student boredom and teacher discouragement They worked with their colleagues in grades 3-6 to make some dramatic changes in their collective writing instruction These changes included a return to their roots as writing workshop teachers but with new twists The teaching staff drew up new common standards for writing assessment and achievement The revised writing programs also involved integrating insights from reading strategy instruction with a renewed emphasis on the basics of writers workshop student choice teacher modeling revision and using quality children's literature as mentor text Writing Through the Tween Years documents how teachers can get back to the joys of teaching writing in a literature rich thoughtful environment There may be no better way to understand and reach tween writers
