The Soul of Poetry Inside Kim-Van-Kieu Thuy Lexuan, 2010-12 Kim Van Kieu for centuries has been regarded by the Vietnamese as the most beautiful jewel in painting the sentimental tenderness of the human soul Edited in the early 1813 s this masterpiece of 3250 verses was structured in a particular form of prosody that has become since then a cherished anthem of Vietnamese poetry. The story concerns a maiden endowed with mental and bodily graces an elite who placed between love and filial devotion deliberately chose the harder way she sold herself to save her father a victim of an unjust calamity And from that day on she passed from one misfortune to another until she sank into the most abject depravity But like the lotus after a long chain of stormy winds she succeeded in elevating herself and preserving the pure perfume of her original soul Homesickness seemed to carry away Her soul toward the forlorn clouds of Tsin My poor old parents Both now must be guite old Since my departure has their grievance Subsided any as time went by So fast more than ten years out of sight If they still live maybe their skin Has been wrinkled and their hair has turned gray Like frost covered as it had never been And the old love Regretful I may say Like the lotus torn off from its stem Though their former binding had been broken The feelings Kieu had conceived for Kim Seemed to still have a slight venation Kim Van Kieu 1963 Edition English translation by Professor Le Xuan Thuy had given the Western readers a chance to taste the delights of a new style of poem in prose version of Vietnamese poetry into English Forty six years later came into light a fresher gem with a more inspired form The Soul of Poetry inside Kim Van Kieu a vibrant versification of Kim Van Kieu by Professor Le Xuan Thuy himself well known A Complete Dictionary of the English Language, Both with online as international poet Hall of Fame Thuy Lexuan ASO Regard to Sound and Meaning ... **Troubling Topics, Sacred Texts** Roberta Sterman Sabbath, 2021-10-04 Abrahamic scriptures serve as cultural pharmakon prescribing what can act as both poison and remedy This collection shows that their sometimes veiled but eternally powerful polemics can both destroy and build exclude and include and serve as the ultimate justification for cruelty or compassion Here scholars not only excavate these works for their formative and continuing cultural impact on communities identities and belief systems they select some of the most troubling topics that global communities continue to navigate Their analysis of both texts and their reception help explain how these texts promote norms and build collective identities Rejecting the notion of the sacred realm as separate from the mundane realm and beyond critical challenge this collection argues both implicitly and sometimes transparently for the presence of the sacred within everyday life and open to challenge The very rituals prayers and traditions that are deemed sacred interweave into our cultural systems in infinite ways Together these authors explore the dynamic nature of everyday life and the often brutal power of these texts over everyday meaning The Eye of God Jonathan Bourgault, 2007-06 The Eye of God sees all For young Brian Bishop this statement dominates every conscious thought Brian eagerly awaits the day when he will join the Church elite and destroy the few remaining Apostates who refuse to bear the Eye It is a destiny that seems certain until his family suddenly informs him of their plans to leave his beloved Earth Onboard the colony transport ferrying him to the stars Brian uncovers a devastating family secret that violently shatters his childhood conceptions With only his best friend Kim for support Brian must adapt to life on a world named Elysium a planet with a secret of its own that threatens the very foundations of human existence
