The School Bulletin and New York State Educational Journal ,1913 Baptist Missionary Review ,1915 **Dear**

Mommy Joyce Ramirez,2022-07-25 Dear Mommy is the story of a woman s journey with an almost nonexistent faith filled with anger and resentment to finding the path of God through a trail of disappointments heartbreak and miracles It follows the trials of a parent of a special needs child and the struggles of raising her while making life choices that affect not only her life but also the lives of her three children Her narrative will guide you through failed relationships and bad decisions all while exploring what the child would have said if only her mother had been listening The writer uses letters written from the children s perspective and the mother s ultimate response of what was done and perhaps what maybe should ve been done instead Her daughter s condition and ultimate quality of life were always predetermined by physicians who would diagnose the worst case scenarios with extreme confidence in their tones This tale goes through the process of a child deemed to never walk talk or see to a child who would ultimately prove everybody wrong In our current climate this book may act as a guide for the lost Christian It shines a light on somebody that may not be a theologian saint or studious academic but more so the average Joe or Joyce who is just beginning their travels back to a faith filled life Dear Mommy has been written to empower those like the writer who feel unworthy and ill equipped to start believing and begin learning about their faith It takes the reader down a path of self loathing and disappointment and guides to the ideals of repentance and self forgiveness
