Strategic Management: Competitiveness and Globalisation Dallas Hanson, Michael A. Hitt, R. Duane Ireland, Robert E. Hoskisson, 2016-09-29 With an emphasis on global advantage the text offers a comprehensive examination of regional and international issues to provide a complete accurate and up to date explanation of the strategic management process New coverage on environmental concerns and emerging technologies as well as examples and cases from Australia New Zealand and Asia Pacific serve to engage students while updated international content demonstrates how strategic management is used in the global economy The text takes a resource based approach which

requires the examining of a firm's unique bundling of its internal resources. This text is appropriate for upper level undergrad usually third year post grad in Masters courses. *Service Science in China* Jiazhen Huo, Zhisheng Hong, 2013-01-06. A service economy era is coming. As the basic discipline of service dominant era, service science mainly studies common rules of service activities aiming to provide theoretical bases for creating service value in the new era. The book which integrates knowledge of service management, operational management, logistics and supply chain management constructs a research system for this emerging discipline. Service science research system constitutes service philosophy, resource allocation, operational management and service technology. Many cases about China's service enterprises are incorporated in the book in the hope of providing readers an insight into not only service science but also the development of China's service economy.

A can do business strategy approach for all supply chain managers and business leaders. MJ Park, Supply Chain Team Leader, GM Korea, a rare book on supply chain strategy and a must read for start ups. YH Li, Supply Chain Manager, Shanghai GM. Shawn Paul represents the best of what global business can be. As someone who has a deep understanding of engineering and regulatory processes and challenges across the US, Asia and EU, he is able to identify collaborative relationships others overlook. Shawn Paul is expanding the way business gets done and reaches out across organizational and geographic boundaries to ensure that the best solutions find their way to market and the customers who need them. A true global thinker, innovator and leader. Mark Roser, Innovation NPD consultant, Founder, Open Innovators. Shawn Paul. His attention to detail, ability in understanding, execution, timing place him in a very special group of project managers. His experience in China and Korea lend credence to his ability to work at a global perspective. Bob Conn, Operations Manager, General Motors. Shawn Paul, a real problem solver with a calm, distinct character that's a rare find in the industry. Shawn has proven his capability of managing high performance teams. He is a leader and a mentor to many. Mike Dickey, Thyssen Krupp. *Amazon* Benedetta Brevini, Lukasz Swiatek, 2020-11-26. Taking a political economy of media approach, this book examines Amazon as a significant actor in the global media landscape. Amazon is mainly conceived in the popular consciousness and media commentary as a corporate body selling products and services to individual consumers and organisations but Brevini and Swiatek show that Amazon has become a communication giant that trades in diversified media, its own and others, and exerts a significant influence on global communication especially through its online services. Further, the authors provide evidence of Amazon's multiple influences on politics, economics and culture. With its comprehensive and critical overview, this book is ideal for students, scholars and researchers of media and communication studies and political
