Kingdom Keepers Discussion Questions:

The Tracy Groot Biblical Fiction Collection: The Brother's Keeper / The Stones of My Accusers / Madman Tracy Groot, 2021-01-13 This collection combines three of Tracy Groot's historical fiction novels into one e-book for a great value.

The Brother's Keeper The sons of Joseph run a successful carpentry business in Nazareth. At least it was successful until the oldest brother Jesus left home to tell the world he will forgive their sins and save their souls. Now everyone is hearing outlandish reports of healings and exorcisms. Business is suffering; not many people want a stool made by the family of the local crazy man. When one of his brothers starts listening to Jesus' troubling speeches and fanatical Zealots descend on Nazareth to convince his family to join their fight against Rome, James wants nothing more than to shut out these rumblings and have a normal life. But normal walked out the day his brother did. James knows that this year's Passover pilgrimage will be more important than ever. Hearing about a possible plot against Jesus, he must find him and talk some sense into him before it's too late. And he must decide for himself who his brother really is. But on the dusty road to Jerusalem, more than one faction has murder on its mind.

The Stones of My Accusers You're the one Nathaniel had said, "You go and tell her, No stones." Rivkah knows her own sin all too well. She knows the prophets' judgments against women like her and still believes that prostitution doesn't even compare to the most secret and shameful incident of her past. Not even her best friend knows what she did. Only God knows. Determined to make her way to Caesarea Maritima to confront the mother of her beloved Nathaniel, Jorah has no time to consider the rumors she hears of her brother Jesus' resurrection. She'll stop at nothing to get the answers she needs. A former Zealot, Joab is wrestling with delivering a message to a woman named Rivkah, a message that challenges everything he ever believed. A message from her son, No stones.

Madman If there is a way into madness, logic says there is a way out. Logic says Tallis, a philosopher's servant, is sent to a Greek academy in Palestine only to discover that it has silently, ominously disappeared. No one will tell him what happened, but he learns what has become of four of its scholars. One was murdered. One committed suicide. One worships in the temple of Dionysus. And one one is a madman.

From Christy Award-winning author Tracy Groot comes a tale of mystery, horror, and hope in the midst of unimaginable darkness: the story behind the Gerasene demoniac of the Gospels of Mark and Luke.

The Men We Need Brant Hansen, 2022-03-29 The world needs real men, real bad. But here's the problem: While we know what men are not supposed to be, it's not clear to us what masculinity looks like when men are at their absolute best. Into our cultural confusion, Brant Hansen paints a refreshingly specific, compelling picture of what men are designed to be: keepers of the garden. Combining depth and humor, he calls for men of all interests and backgrounds, including avid indoorsmen like himself, to make key decisions to set them apart, including protect the vulnerable, be ambitious about the right things, choose today who you will become tomorrow, take responsibility for your own spiritual life. *The Men We Need* is witty, challenging, bracingly honest, and perfect for any man who wants to know, "Why am I here?" and is ready to show up.
