 are stories that we use to explain what happened to us twenty years ago or last week those we use to explain why the world
 works the way it does and those that we sue to fix the world when it doesn't work the way other stories said it should And as
 the author points out in this collection of essays and interviews some of these stories are better than others This book is an
 investigation into which might be the better stories and how they can help clients reach their goals in therapy This book
 contains fifteen essays and interviews written or co written by Michael Hoyt The collection represents Dr Hoyt's recent
 thinking on helping clients with the brief future orientated therapeutic approaches **Social Work** ,1991 **AHA Guide
