Libraries Richard W. Oram, 2014-05-21 Academic collection practices in recent years have extended to the private libraries of notable individual authors As a consequence book historians have become more interested in the study of provenance of the contents of these libraries while literary scholars have devoted more attention to authorial annotations At the same time the Internet has encouraged both scholarly and hobbyist reconstructions of private libraries see for example the Legacy Libraries on Librarything.com Although there are many bibliographies and reconstructions of the libraries of authors this is the first general consideration of these libraries and serves as an introduction to best practices for academic libraries in their acquisition cataloging and issues of access This collection begins with principal editor Richard Oram's historical overview of writers' libraries and institutional collecting focusing primarily on English language authors The co-editor Joseph Nicholson has provided a definitive review of best cataloging and arrangement practices that facilitate scholarly access The bookseller Kevin Mac Donnell discusses the marketing of these collections and obstacles to placing intact author libraries in institutions Also included are case studies by Amanda Golden and David Faulds relating to the personal libraries of the poets Anne Sexton and Ted Hughes indicating how these collections have the potential to enhance archival research Fiction writers Iain Sinclair Russell Banks Jim Crace poet Ted Kooser and biographer Ron Powers describe their sometimes passionate relationship with books and their own personal libraries The concluding chapter a location guide to over 500 individual

libraries will be invaluable to scholars and librarians who want to know where writers libraries are currently located what happened to them if they are known to have been sold or dispersed and what has been written about them Teaching Composition Around the Pacific Rim Mark Newell Brock,Larry Walters,1992 Considers both political and pedagogical issues related to the teaching of English composition to Asian Pacific students The possible consequences of imposing Western rhetoric are analyzed and use of current approaches to the teaching of composition are examined in the context of the Pacific Rim The Writer's Handbook for Sociology Dona Young,2019-01-10 The Writer s Handbook for Sociology gives students the tools that they need to develop evidence based writing skills and format academic papers in American Psychological Association APA and American Sociological Association ASA style This book helps learners develop a reader friendly writing style incorporating active voice parallel structure and conciseness In addition grammar and mechanics are presented in a systematic way to facilitate learning helping students fill learning gaps *Parliamentary Papers* Great Britain. Parliament. House of Commons,1916 **The Biomedical Writer** Yellowlees Douglas,Maria B. Grant,2018-04-05 Everything you need to know about the psychology rhetoric and tactics of writing grant proposals and articles in biomedical sciences *The Painting Master's Shame* Amy McNair,2024-09-09 Overturning the long held assumption that the Xuanhe Catalogue of Paintings was the work of the Northern Song emperor Huizong r 1100 1126 Amy McNair argues that it was compiled instead under the direction of Liang Shicheng Liang a high ranking eunuch official who sought to raise his social status from that of despised menial to educated elite had privileged access to the emperor and palace McNair s study based on her translation and extensive analysis of the text of the Xuanhe Catalogue of Paintings offers a definitive argument for the authorship of this major landmark in Chinese painting criticism and clarifies why and how it was compiled The Painting Master s Shame describes the remarkable circumstances of the period around 1120 when the catalogue was written The political struggles over the New Policies the promotion of the scholar amateur ideal in painting criticism and practice and the rise of eunuch court officials as a powerful class converged to allow those officials the unprecedented opportunity to enhance their prestige through scholarly activities and politics McNair analyzes the catalogue s central polemical narrative the humiliation of the high ranking minister mistakenly called by the lowly title Painting Master as the key to understanding Liang Shicheng s methods and motives **The Writer** ,1912 **Becoming an Academic Writer** Patricia Goodson,2023-06-22 With its friendly step by step format the Third Edition of Becoming an Academic Writer helps readers improve their writing by engaging in deep deliberate and daily practice Author Patricia Goodson designed this book for anyone in an academic setting who must write to survive from new graduate students to senior faculty Featuring 50 exercises this practical and flexible self paced guide is organized so readers can either work through the exercises in order or focus on the specific areas where they need additional practice The Third Edition features an expanded unit on how to manage the reading required for any writing project a strategy to help writers avoid getting bogged down in this crucial step Updated material alongside testimonials
