Roger Z. George, Harvey Rishikof

Matric June Exemplars 2014:

The National Security Enterprise Roger Z. George, Harvey Rishikof, 2017-07-01 This second edition of *The National Security Enterprise* provides practitioners insights into the operation missions and organizational cultures of the principal national security agencies and other institutions that shape the US national security decision making process Unlike some textbooks on American foreign policy it offers analysis from insiders who have worked at the National Security Council the State and Defense Departments the intelligence community and the other critical government entities The book explains how organizational missions and cultures create the labyrinth in which a coherent national security policy must be fashioned Understanding and appreciating these organizations and their cultures is essential for formulating and implementing it Taking into account the changes introduced by the Obama administration the second edition includes four new or entirely revised chapters Congress Department of Homeland Security Treasury and USAID and updates to the text throughout It covers changes instituted since the first edition was published in 2011 implications of the government campaign to prosecute leaks and lessons learned from more than a decade of war in Afghanistan and Iraq This up to date book will appeal to students of US national security and foreign policy as well as career policymakers

China and EU Jing Men, Annika Linck, 2017-05-12 Reform and governance are of vital interest to both the People's Republic of China and the European Union EU China is facing demographic and environmental challenges and has been experiencing a rapid economic transition The social tensions arising from these challenges call for a governance system that will allow the Chinese leadership to alleviate social tensions without putting at risk their leadership A society which is becoming more diverse and facing problems of a global scale that also cause turmoil at the grass roots may be difficult to govern top down Notwithstanding the Communist Party of China's CPC grip on Chinese society there may be ways to integrate public opinion and civil society organisations in governmental decision making through reforms that do not challenge the current leadership The EU on the other hand faces the same global challenges with a very different and complex governance system EU foreign and security policy thus including EU policy towards China are governed by the EU's foreign policy principles which contain among others the promotion of democracy the rule of law and the universality and indivisibility of human rights and fundamental freedoms How successful can the EU be in advancing these principles when engaging with China while respecting the Chinese political system How can the EU and China find common grounds in their governance systems so as to enhance their strategic partnership in order to tackle global issues that need a coordinated approach

The Kennedy Half-Century Larry J. Sabato, 2013-10-15 An original and illuminating narrative revealing John F Kennedy's lasting influence on America by the acclaimed political analyst Larry J Sabato John F Kennedy died almost half a century ago yet because of his extraordinary promise and untimely death his star still resonates strongly On the anniversary of his assassination celebrated political scientist and analyst Larry J Sabato himself a teenager in the early 1960s and inspired by JFK and his presidency explores the

fascinating and powerful influence he has had over five decades on the media the general public and especially on each of his nine presidential successors A recent Gallup poll gave JFK the highest job approval rating of any of those successors and millions remain captivated by his one thousand days in the White House For all of them and for those who feel he would not be judged so highly if he hadn't died tragically in office *The Kennedy Half Century* will be particularly revealing Sabato reexamines JFK's assassination using heretofore unseen information to which he has had unique access then documents the extraordinary effect the assassination has had on Americans of every modern generation through the most extensive survey ever undertaken on the public's view of a historical figure The full and fascinating results gathered by the accomplished pollsters Peter Hart and Geoff Garin paint a compelling portrait of the country a half century after the epochal killing Just as significantly Sabato shows how JFK's presidency has strongly influenced the policies and decisions often in surprising ways of every president since Among the hundreds of books devoted to JFK *The Kennedy Half Century* stands apart for its rich insight and original perspective Anyone who reads it will appreciate in new ways the profound impact JFK's short presidency has had on our national psyche

The Imperial Presidency and the Constitution Gary Schmitt, Joseph M. Bessette, Andrew E. Busch, 2017-02-06 Time and again in recent years the charge has been made that sitting presidents have behaved imperially employing authorities that break the bounds of law and the Constitution It is now an epithet used to describe presidencies of both parties *The Imperial Presidency and the Constitution* examines this critical issue from a variety of perspectives analyzing the president's role in the administrative state as commander in chief as occupant of the modern Bully Pulpit and in separate essays addressing recent presidents' relationship with Congress and the Supreme Court The volume also deepens the discussion by taking a look back at Abraham Lincoln's expansive use of executive power during the Civil War where the tension between law and necessity were at their most extreme calling into question the rule of law itself The volume concludes with an examination of how the Constitution's provision of both powers and duties for the president can provide a roadmap for assessing the propriety of executive behavior

Pathways to Contemporary Islam Mohamed Nawab Mohamed Osman, 2025-10-01 *Pathways to Contemporary Islam* New Trends in Critical Engagement highlights that the current tensions in Islam and the Muslim world are the result of historical dynamics as opposed to an alleged incompatibility between religious tradition and modernity The emphasis on pathways indicates that critical engagement and contestation have always been intrinsic to the history of Islam The aim of the book is to elaborate the contemporary pathways and analyse the trends that contest the Islamic intellectual tradition the relationship between religion and politics and the individual and collective practice of religion The collection of essays analyses the current efforts of critical re-engagement with the Islamic intellectual tradition and underlines the historical diversity of Islamic orthodoxies that led to the establishment of various pathways in the practice and role of religion in Muslim societies
