

THE BOATING *disaster*

It was a sunny, clear day when two brothers named Jim and Ben went out on the boat to catch some fish. They jumped on to the boat with fishing rods in their hands. Both the brothers had been out on the boat five times before. The water was sparkling and the sun was shining. They had no clue a huge disaster was about to occur.

The brothers were sitting in the boat out on the water when large, dark, grey clouds started to form in the sky. Suddenly, enormous drops of rain started to fall. Lightning lit up the sky. Loud roars of thunder boomed around them. The water started to rock the boat. The brothers kept falling off their feet.

The brothers were so scared that they were going to fall into the water! They grabbed on tight to the boat and shut their eyes. Both the boys were trembling and frightened. Every bang and crash filled them with fear. They felt like whole boat was going to capsize!

The boat kept rocking. The water kept coming. The lightning kept flashing. The thunder kept booming. The boys did everything they could to keep their boat from sinking. They ran to the radio to call for help but there was nothing but static. They tightened their life jackets and gripped the wheel at the helm of the boat, trying desperately to steer the boat safely through the waves!

Then all of a sudden... Nothing. The huge, dark, grey clouds left the sky. The enormous drops of rain stopped falling. The lightning stopped flashing and the thunder stopped booming. The boys opened their eyes and saw that the storm was over. They were safe!
